USER'Sguide

PREVIEWSworld.com

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toy and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Product will ship according to schedule;
1 = Product may ship an additional 60 days beyond scheduled ship date;
2 = Additional 90 days beyond scheduled ship date;
3 = Additional 120 days beyond scheduled ship date;
4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

EDITOR'S *note*

COMIC CON, HERE WE COME!

Each year, the *San Diego Comic Con* wreaks havoc with our schedules, making lots of work for everyone, and causing a few gray hairs to sprout on random folks in the office. Stress levels are always high as we rush to finish all of our preparations for our biggest show of the year, but between the writing, designing, packing and shipping, it all gets done. And at the end of the day, that's a good feeling.

I'll once again be roaming the convention floor with my buddy Chris Cade, former Diamond employee and fellow *Comics & Comix* veteran from Sacramento. I don't get back to California often, so I look forward to hanging out with my bud when I can. The expansive showroom floor is the ultimate con experience, and I hope to find plenty of Japanese monster toys to add to my collection while there.

While in San Diego, we'll be paying a visit to funnyman Patton Oswalt, which is becoming a yearly event during Comic Con. Although Patton was absent last year, his "Comedians of Comedy" pal Brian Posehn filled the bill admirably, and was a swell guy to meet after the concert.

And, of course, we'll be checking out some of the big movie and TV presentations in the massive, 6,500-seat Hall H, where panel presentations for *Tron: Legacy, Captain America, Thor* and more will be the must-see events of the week.

So until next month, stay cool and enjoy the summer while it lasts, because these days are precious and few, kind of like good times with your friends… you take 'em where you can.

Your Pal @ ***PREVIEWS***,

Marty

This month's featured creator is... JOE KUBERT

How To Draw From LIFE
JOE KUBERT

Born in 1926, **Joe Kubert** began his career at the age of eleven as an apprentice for Harry "A" Chesler's comic-book production house. He has worked in the field ever since, and in his more than seventy years with the medium he has produced countless stories for countless characters, including DC Comics' *Hawkman*, *Tarzan*, *Enemy Ace*, *Batman* and *The Flash*, as well as his own characters: the heroic caveman *Tor*, and *Abraham Stone*. He also edited, wrote and illustrated the DC title, *Sgt. Rock*, for thirty years.

In the 1950s, Kubert was a principal in the creation of the first 3-D comic book. During the 1960s, he illustrated *Tales of the Green Beret* for the Chicago-Tribune New York News Syndicate.

In 1976, Kubert and his wife Muriel founded the first and only accredited school devoted solely to the art of cartoon graphics. The Joe Kubert School of Cartoon and Graphic Art, Inc. in Dover, New Jersey, has since produced many of today's leading cartoonists. Pursuing this educational path further, in 1998 Kubert established a series of correspondence courses under the banner of Joe Kubert's World of Cartooning. At the same time, he established his website: www.kubertsworld.com

Kubert has remained busy throughout the years. During the last fifteen years, he has created *Sgt. Rock: Between Heaven and Hell* (written by Brian Azzarello) as well as *Fax From Sarajevo*, *Yossel*, *Jew Gangster*, *Sgt. Rock: The Prophecy*, and *Tor: A Prehistoric Odyssey*, all written and drawn by Kubert. In addition to these works, he continues to produce *PS Magazine* for the U.S. Army (as he has since 2000) and has most recently written and illustrated *How to Draw from Life* (MAY091094) for Vanguard, and a new graphic novel about a special forces team in Vietnam for DC Comics: *Dong Xoai, Vietnam 1965* (JAN100309), whichs was published in May 2010.

Joe Kubert lives in New Jersey. Two of his five children, Adam and Andy, have achieved great notoriety as comic-book artists.

INSECURE TIMES CRY OUT FOR THE UNCANNY X-FORCE!

What are the limits of power? What justifies the use of force? When do the ends justify the means? The X-Men, followers of Professor Charles Xavier's philosophy of human/mutant peaceful co-existence, have long struggled to make the world a better place despite the intolerance shown by so many toward mutantkind. The X-Men's struggle, however, was a reactive one. What happens when some choose a pro-active path, when they take the viewpoint that the best way to solve a problem is to prevent it from ever being a problem? And what if this pro-active path violates Xavier's vision of peace? Marvel Comics' mutants tackle this question head-on this October with *Uncanny X-Force #1*!

In the aftermath of Second Coming, Cyclops ordered that X-Force, the mutant strike team he had secretly established after Messiah Complex, be disbanded. Violence only begat violence; Cyclops recognized that it was not a solution. Desperate times, however, call for desperate measures, and when Wolverine and Archangel uncover shocking information, they believe they have no choice but to resurrect X-Force. En Sabah Nur, better known as Apocalypse, has returned — and he seeks to usher in a new Age of Apocalypse. Gathering together a strike team that includes Psylocke, Fantomex, and Deadpool, Wolverine and Archangel are determined to take down Apocalypse — permanently — at whatever the cost and by any means necessary!

Rick Remender and Jerome Opeña team for this harder edged take on the Marvel Comics' mutants. Ready yourself for a challenging new chapter in the mutant saga, one that dares to ask the question — Do those who compromise their ideals to forge a better world deserve to live in that better world? Wolverine and his friends are prepared to cut a brutal and bloody swathe through the X-Men's worst enemies, but are they prepared for the consequences? The adventure begins in the debut issue of *Uncanny X-Force* this October!

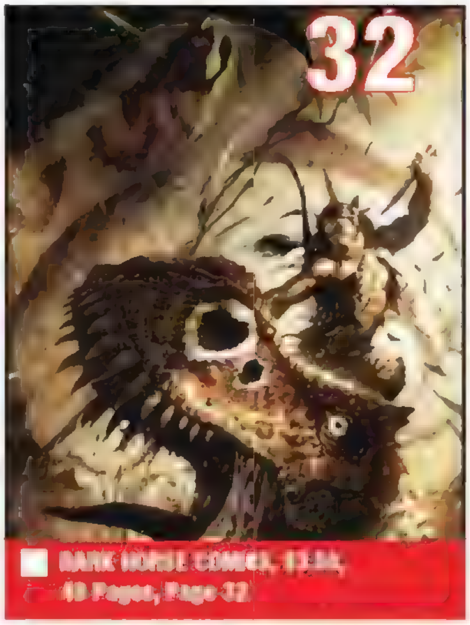
THE TIMELESS LANDS BECKON TO TUROK IN DARK HORSE'S NEW SERIES



■ DARK HORSE COMICS, $3.50, 40 Pages, Page 32

Prehistoric adventure and saurian thrills are at hand as Dark Horse Comics and legendary writer Jim Shooter relaunch one of Dell Comics' greatest heroes — *Turok, Son of Stone*!

Long before Columbus reached the western hemisphere, in an era when Viking longships plundered along the Canadian coast, the Americas were inhabited by vibrant native cultures, at peace with the land and its many creatures. One man, Turok, wandered from one end of the North American continent to the other in search of adventure, learning skills from each tribe he encountered. His journeys take him to the American southwest, and there he comes into conflict with King Maxtla, leader of the Aztec, who hunts for Andar, the son of a rival Chiricahua chief. After rescuing Andar, Turok and his new-found friend are hunted mercilessly by the Aztec warriors, and soon they are all drawn into a strange and bizarre land of monsters where time itself stands still! Dinosaurs walk the Earth in this Timeless Land, and soon Turok and Andar face a threat greater even than the Aztec — the Panther People and their goddess, Aasta.

Shooter and artist Eduardo Francisco will take readers on a journey into a world of prehistoric monsters and all-too-human failings. Taking a character known now more for his best-selling video game appearances than for his sword-and-sandals four-color adventures, Shooter plans to explore facets of Turok that previous publications from Dell and Gold Key barely scratched the surface of, redefining one of comic's classic adventures for a new generation of readers. The prehistoric adventure in the Timeless Land begins again this October with Dark Horse Comics' *Turok, Son of Stone #1*!

TUROK, SON OF STONE, THE LEGENDARY GOLD KEY SERIES, RETURNS FOR A NEW GENERATION THANKS TO COMICS LEGEND JIM SHOOTER!

HONE YOUR CREATIVE SKILLS WITH PREVIEWS' HOW TO DRAW COMICS MONTH

This month, ***PREVIEWS*** pays homage to the do-it-yourself spirit that launched the comics industry. Where would we be today if two young lads named Jerry and Joe didn't create their own comic book? Two guys — one a writer, the other an artist — launched a genre and forged a legend. Who will be the next Siegel and Shuster? Who will create the next comic book legend?

Many creators attempt to do just that each month. Some self-publish their own comics, some create fanzines and chapbooks. Some publish webcomics. Some of these creators are noticed by publishers large or small. Some of their creations catch on with the public, and some fail. Irregardless of where they wind up on the sales charts, however, these creators all started in the same place: at the drawing board.

Like any skill, creating comic books at any stage of the process — whether writing, penciling, inking, lettering, or coloring — requires practice and technique. Creators, at any skill level, can take advantage of ***PREVIEWS'*** How To Draw Month which spotlights books that will help you become a better comics creator. Whether you choose from books Watson Guptill's *Stan Lee's How to Draw Comics*, :01 First Second's *Drawing Words and Writing Pictures*, TwoMorrows Publishing's *The Best of Draw Magazine Volume 1*, Tokyopop's *How to Draw Shojo Manga*, WW Norton's *Will Eisner's Comics & Sequential Art* or *The DC Comics Guide to Coloring* and *Lettering Comics*, or any of the dozens more books featured with the "How to Draw" icon throughout the catalog, you will find tips and techniques that will help you to become the best comics creator you can be.

Pick up one of these books and hone your craft as ***PREVIEWS*** celebrates the do-it-yourself spirit this month with our annual How to Draw Month!

UNCOVER NEW VISIONS OF THE STAR WARS UNIVERSE IN *PREVIEWS* THIS MONTH

Drawing upon sources as disparate as classical mythology, Jungian psychology, Joseph Campbell's mythological studies, and classic Norman Rockwell artwork, George Lucas created a modern mythology – *Star Wars*. In addition to the memorable films Lucas created, *Star Wars* has proven to be an enduring platform for artistic interpretation, from books to television to artwork.

Star Wars: Visions from Abrams (page 356) presents 200 unique visions of a long time ago as Lucas lets some of today's top artists loose on his universe, while Freeman's The Vader Project Auction Catalog (page 380) presents the work of today's top designer toy artists as they bring their unique styles to Darth Vader's iconic helmet. For an offbeat sartorial choice, the ***PREVIEWS*** Exclusive *Star Wars: Space Rock Black T-Shirt* from Mad Engine (page 367) reimagines the characters as 70's-era glam rockers.

A more conventional take of the galaxy far, far away is to be found with Gentle Giant's Star Wars statues on page 403 – *The Clone Wars: Cad Bane Maquette*, based on the hit animated series, and the *Death Trooper Mini-Bust*, a zombiefied stormtrooper inspired by the included *Star Wars* horror novel.

BATGIRL SOARS WITH KOTOBUKIYA'S *BISHOUJO* STATUE 406

This autumn, the heroines of DC Comics receive a *bishoujo* makeover from Kotobukiya and character designer Shunya Yamashita as the manufacturer unveils the *Batgirl Bishoujo Statue*, the first in a new collectible statue series! Curvaceous redhead Barbara Gordon is a librarian by day, super-heroine by night in her identity as Batgirl, Gotham City's other caped crusader. Standing 9" tall atop a stylish gargoyle base, Batgirl has a supple, seductive, and entirely *dangerous* look about her thanks to Yamashita's *bishoujo* stylings for the *DC X Bishoujo. Batgirl Statue!*

DANCE INTO THE NIGHT WITH MICHAEL JACKSON 390

Michael Jackson. The King of Pop. First as a member of the Jackson 5, then as a solo artist, this talented musician remade the face of music with his catchy beats and his memorable music videos. A year after Jackson's untimely death, Playmates is unveiling the *Michael Jackson 10" Collector Figure*. Recreating the musician as he appeared in the music video for "Billie Jean," this highly-detailed and articulated action figure of Jackson stands as a tribute to his creativity and his impact on music history!

FEEL THE DISTANT DEVOTION OF *TWILIGHT*'S EDWARD 387

Edward Cullen and Bella Swan. The vampire and the human. Lovers who could never be together, their relationship posed great potential of harm to Bella — as a vampire, Edward and his kind instinctively wished to feed upon her blood. An innocent accident with a papercut endangered her life, and knowing they could never be together Edward left Forks for Europe. Tonner's *Twilight: Edward "Distant Devotion" Collector Doll* brings to life the sparkling vampire as he appeared in *The Twilight Saga: New Moon*, loving Bella from afar, alone among the Volturi. With a detailed sculpt and cloth costume, this Edward doll will have every fan of Stephenie Meyer's story all atwitter.

DOCTOR WHO BOX SET FROM UNDERGROUND TOYS

413

ELEVEN DOCTORS UNLEASHED BY UNDERGROUND TOYS

Throughout *Doctor Who*'s long run, dating back to 1963, eleven men have played the mysterious Time Lord from the planet Gallifrey. A Time Lord, when nearing death, can initiate the process of regeneration, transforming every cell in his body, becoming a new man. Old and irascible to young and athletic, the eleven Doctors in the series, from first Doctor William Hartnell to eleventh (and current) Doctor Matt Smith are brought together for Underground Toys' *Doctor Who: The Eleven Doctors Action Figure Collector Set*. Each figure, standing 5" tall, recreates the likenesses and costumes of this singular hero, giving collectors a unique opportunity to bring the Time Lord into their lives.

GO RETRO WITH DST'S NEW *STAR TREK* FIGURES

The final frontier beckons this autumn as Diamond Select Toys continues their best-selling line of *Star Trek Retro Action Figures* with two new characters that hearken back to the earliest days of the *Star Trek* phenomenon — Captain Pike of the first pilot "The Cage" and the Salt Vampire of Planet M-113 from "The Man Trap!" With all the articulation of their predecessors and cloth costumes, these figures are ready to join the previously released figures in the collection for new adventures aboard the starship Enterprise! Beam them into your action figure collection this fall!

***PRINCE OF PERSIA* STATUE**

400

ADVENTURES AWAIT WITH THE *PRINCE OF PERSIA* STATUE

Two decades ago, Jordan Mechner's *Prince of Persia* took gamers back into the ancient history of the Middle East, spawning an entire series of games set in the mystical land of Persia. This summer, blockbuster producer Jerry Bruckheimer brought the game to theaters with Prince of *Persia: Sands of Time* with Jake Gyllenhaal in the lead as Dastan, the titular Prince of Persia. Grand Jester brings the character to life with the Prince of Persia: Dastan Mini-Bust, a 7" tall mini-bust sculpted by Ruben Procopio. Fans of the film or the video game series will want to add this depiction of their hero to their collections!

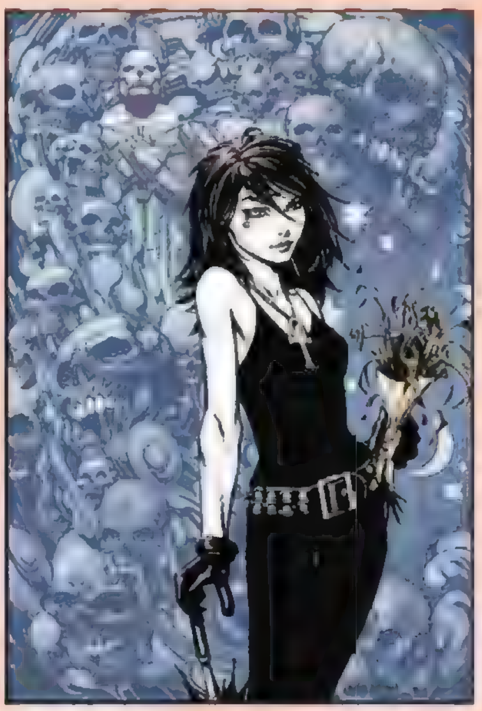
STAR WARS: KNIGHT ERRANT—AFLAME #1

DARK HORSE COMICS

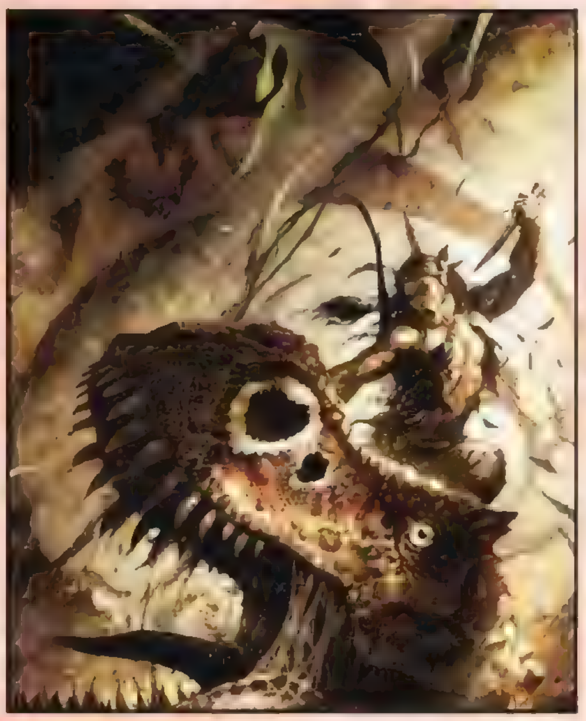
Long before the era of Luke Skywalker, 18-year-old Kerra Holt, a newly knighted Jedi on her first mission, enters into the conflict between the Republic and the increasingly powerful Sith. She believes she is ready for anything. She's wrong. A new storyline begins, courtesy of writer John Jackson Miller and artist Federico Dallocchio!



ACTION COMICS #894

DC COMICS

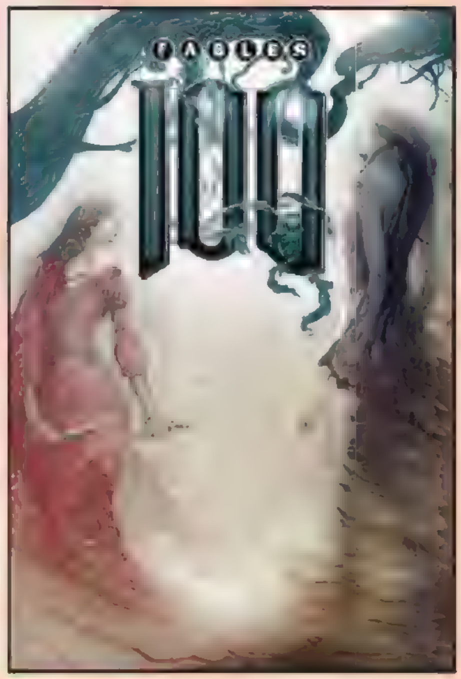
Lex Luthor continues on his winding and dangerous quest for power — a quest that allows the megalomaniacal arch-villain to encounter characters in and beyond the far reaches of the DC Universe. This issue: Lex Luthor meets Death, of the Dreaming! It's a Gaiman-approved epic chronicled by writer Paul Cornell and artist Pete Woods!



TUROK, SON OF STONE #1

DARK HORSE COMICS

Turok returns! Re-imagined by legendary writer Jim Shooter and illustrated by hot new talent Eduardo Francisco, bringing the lost land of vicious dinosaurs and savage tribes back to comics like never before! Includes the classic first issue from the '60s!



FABLES #100

DC COMICS / VERTIGO

It's time to put an end to Mister Dark once and for all, and time for the Fables to return home to Fabletown. But for that to happen, one of the Fables agrees to take on the Dark Man in single combat! It's big (100 pages!), it's epic (stuff gets wrecked!), and it's from Bill Willingham, Mark Buckingham, and a cast of guest-artists!

VOLUME 2

Otto Binder (W), Frank Thorne (A), and Jack Sparling (A)

On sale Sept 22	FC, 216 pages
$49.99	HC, 7" x 10"

With fantastic beasts, savage survivors of a nuclear war, and imaginative artwork by Frank Thorne and Jack Sparling, *Mighty Samson Archives* volume 2 hits the ground running with nonstop post-apocalyptic adventure and sci-fi fun. Created by prolific writer Otto Binder and artistic titan Frank Thorne, the Mighty Samson's comic-book career lasted for only thirty-two issues, but Dark Horse is bringing the exploits of this daring, one-eyed adventurer to modern audiences in a series of elegant hardcovers! Born into a peaceful yet primitive tribe of N'Yark, in a radioactive future America, Samson learns that he's just as strong and resilient as some of the most vicious, mutated creatures that threaten his tribe. A mutant himself, Samson still vows to protect his defenseless human kin from the dangers around them—and his motto becomes, "To protect the weak from the powerful, the good from the evil!"

» **This volume reprints *Mighty Samson* (1960s comic-book series) issues #7-#14.**

BEASTS OF BURDEN/HELLBOY

Mike Mignola (W), Evan Dorkin (W), and Jill Thompson (A/Cover)

On sale Oct 27	FC, 32 pages
$3.50	ONE-SHOT

The paranormal activity in the outwardly charming town of Burden Hill has gone from bad to worse, as seen in Dorkin and Thompson's hardcover graphic novel *Beasts of Burden: Animal Rites*. Now the occult-investigating team of dogs (and one cat) need some serious help. Contact with the Wise Dog Society has broken off, leaving the team on its own, as a series of unexplained animal slayings have begun to occur. But magic can work in surprising ways, and help is brought to the team with the unexpected arrival of the World's Greatest Paranormal Detective.

Evan Dorkin (*Milk and Cheese*, *Bizarro World*) and **Jill Thompson** (*Scary Godmother*, *Magic Trixie*) join forces with **Mike Mignola** (*Hellboy*, *B.P.R.D.*, *Witchfinder*, *Baltimore*) in an amazing one-shot bringing their supernatural worlds together!

They're the most brutal black-metal band on the planet and the world's seventh-largest economy, five men prophesied to bring about the **Metalocalypse**. They are **DETHKLOK** . . . and they are about to enter the food chain. After a series of sponsorship deals goes sour, Dethklok launches a line of frozen meals in hopes of reclaiming their metal throne. Two things stand in their way: the enigmatic tribunal of world leaders sworn to topple the band, and their own incompetence.

BILLY THE KID'S OLD TIMEY ODDITIES

AND THE GHASTLY FIEND OF LONDON #2 (of 4)

Eric Powell (W/A/Cover), Kyle Hotz (A/Cover), Dan Brown (C), and Dave Stewart (C)

On sale Oct 13	FC, 32 pages
$3.99	[illegible]

Billy the Kid managed to make it nearly a full day in London without passing out drunk and being carted off to jail, which unfortunately wasn't long enough to find Jack the Ripper, who is still on the loose. The remaining members of Fineas Sproule's traveling spectacle of biological curiosities are on the case, but with "freaks" suspected of being behind the Ripper murders, none of them are safe. It's up to a very hung-over Billy and conjoined twins Malcolm and Miles to break out of jail and find the real killer.

OH MY GODDESS!

VOLUME 37

Kosuke Fujishima (W/A)

On sale Dec 29	B&W, 160 pages
$10.99	TPB, 5" x 7"

Ever since a cosmic phone call led five literal young goddesses—Belldandy, Urd, Skuld, and, like occasional vowels, Peorth and Lind—to live in college student Keiichi's residence, his personal life has been turned upside down, sideways, and sometimes even into strange dimensions!

Clumsy, naive, spacey—just the qualities you want in a goddess tasked with delivering an important magical program to Belldandy. And Chrono, the newest goddess to appear in the *OMG!* saga, possesses these qualities admirably!

END OF NATIONS #1

Written by RICARDO SANCHEZ
Art by YVEL GUICHET
Cover by CHRIS SPROUSE & KARL STORY

Economic disaster brought world governments to their knees. Industrialized nations, for the first time, experienced hunger and poverty on a scale not seen outside the most stricken third-world countries. The Order of Nations, a new world power, stepped into the chaos and restored order, imposing a tyrannical rule. But they pushed too hard and people everywhere began to openly challenge them.

Follow the story of one resistance group as they struggle against the totalitarian regime of the Order of Nations in this 4-issue miniseries based on the highly anticipated, massively multiplayer online real-time strategy game *End of Nations* from publisher Trion Worlds and developer Petroglyph!

FABLES #100

Written by BILL WILLINGHAM
and MARK BUCKINGHAM
Art by MARK BUCKINGHAM
BILL WILLINGHAM, CHRISSIE ZULLO
JOAO RUAS, STEVE LEIALOHA
Cover by JOAO RUAS

In this fantastic 100-page issue, it's time to put an end to Mister Dark once and for all, and time for the Fables to return home to Fabletown. For that to happen, one of the Fables agrees to take on the Dark Man in single combat! It's big, it's epic, and if you live in New York City, you may want to take a quick vacation when this issue comes out, because things are going to get wrecked!

In addition to the larger-than-life main story, we have a FABLES prose story written by Mark Buckingham and illustrated by Bill Willingham! We have an All-Star Burning Questions section that will knock your socks off (seriously, innocent people are going to lose some socks here). We have a puppet theatre created by the unstoppably creative Mark Buckingham, a FABLES board game, sequential chaos painted by Chrissie Zullo and Joao Ruas, and even more surprises in this square-bound behemoth celebrating this award-winning Vertigo series!

JOHN CONSTANTINE: HELLBLAZER – CITY OF DEMONS #1-2

Written by **SI SPENCER**
Art and covers by **SEAN MURPHY**

Don't miss this stand-alone, 5-issue miniseries from writer Si Spencer (*Torchwood*) and red-hot artist Sean Murphy (JOE THE BARBARIAN) shipping twice in October!

When John Constantine is run over by a truck, it takes a little while for England's nicotine-fueled magus to realize that he's perched between life and death. After a few weeks of hospital rehab, Constantine find the London streets VERY different from when he left them behind as a series of occult murders and mutilations demands his attention. The common denominator points back to the ER where Constantine was admitted.

In issue #2, safe in sanctuary, Constantine is forced to relinquish the temptations of his hot and deviant nurse and limp back onto his beloved London streets only to find that things are changing fast in the City of Demons.

LUNA PARK TP

Written by **KEVIN BAKER**
Art and cover by **DANIJEL ZEZELJ**

"A tough-nosed crime story redolent with magic and sadness, LUNA PARK serves as a fine showcase for two great artists working to the best of their abilities."
— *PUBLISHERS WEEKLY*

"Frightening, beautiful and compelling to the very last panel." — *Denise Mina (HELLBLAZER, Still Midnight)*

"The most satisfying story I've read — in any medium — in years. Perhaps the greatest work of one of America's greatest writers." — *Darin Strauss (Chang and Eng)*

New York Times bestselling author Kevin Baker *(Dreamland)* writes his first original graphic novel with internationally acclaimed artist Danijel Zezelj. Alik Strelnikov lives in the shadow of Coney Island, a world of silenced rides and rusting amusement parks that mock his dreams of becoming a hero. Ten years ago, he traded a brutal existence in the Russian army for the promise of America only to become an enforcer in the Brooklyn mob. Now, he chases his ghosts with all he has left: booze, heroin and his lover, Marina, part-time prostitute and full-time fortune teller.

The only way the two of them can escape their miserable fates hinges on a desperate plan that will put them between warring mobs and span a century, from contemporary Coney Island to the Russia of the Second Chechen War to spellbinding 1910s New York. Mixing historical novel, immigrant fiction and crime thriller, LUNA PARK marks Kevin Baker's return to Coney Island, the setting of his critically beloved *Dreamland* and features breathtaking art by Danijel Zezelj (LOVELESS) with to-die-for colors by Dave Stewart (DC: THE NEW FRONTIER).

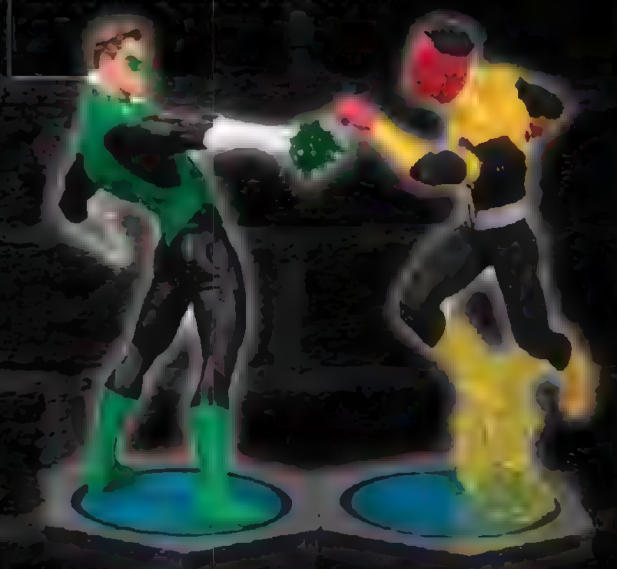
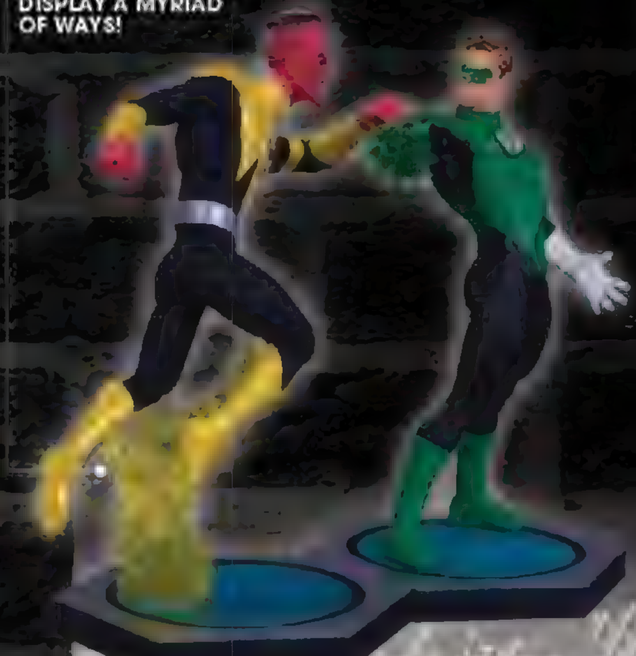
ULTIMATE SHOWDOWN

GREEN LANTERN VS. SINESTRO STATUE SET





ULTIMATE SHOWDOWN: GREEN LANTERN VS. SINESTRO STATUE SET

DESIGNED & SCULPTED BY TIM BRUCKNER

The Ultimate Showdown series is DC Direct's unique, new interactive concept for high-quality collectible statues featuring the world's greatest heroes and villains squaring off in deadly combat.

Green Lantern delivers a green energy blast to Sinestro, as the Corps' arch-nemesis burns with yellow fire.

Each character is displayed on a specially designed stand-alone base intended to "interact" with the other statues in the series and to be displayed in a myriad of ways. The statues can pivot independently on their bases and rotate their heads to customize and direct the action. Collect all the other statue sets in the series! Mix and match them to create your own showdown or combine them all in one ultimate battle scene.

These hand-painted, cold-cast porcelain statues measure approximately:

Green Lantern: 7.35" high x 4.5" wide x 5.25" deep
Sinestro: 8" high x 4.5" wide x 5" deep

Each set is packaged together in a 4-color box.

Limited Edition.

BRIGHTEST DAY SERIES 1 ACTION FIGURES

From BLACKEST NIGHT to BRIGHTEST DAY!

They're back for a reason.

Comics' biggest event continues as BRIGHTEST DAY burns away the BLACKEST NIGHT! In this best-selling follow-up, the white light has resurrected twelve heroes and villains. Though the exact reasons for their rebirths remain a mystery, each is destined to play an intricate role in the future of the DC Universe.

Written by award-winning writers Geoff Johns and Peter J. Tomasi, BRIGHTEST DAY sets the stage for the next exciting era of the DC Universe.

"BRIGHTEST DAY is about second chances. It's looking at twelve characters that have been resurrected and examining whether it's a miracle or a curse. Some second chances work out ... some don't. BRIGHTEST DAY is the next step in repositioning a lot of characters in the DC Universe and pushing them to the next level."
— Geoff Johns on BRIGHTEST DAY

All four figures feature multiple points of articulation and include a display base.

Character-appropriate accessories are also included.

4-color clamshell blister card packaging.

SUPERMAN VS. BRAINIAC STATUE

DESIGNED BY GARY FRANK • SCULPTED BY PAUL HARDING

It's Superman vs. Machine!

Facing an enraged Man of Steel, Brainiac finds that it's easy to lose his head ... as his robotic one is ripped from his metal neck, severing any connection to his doomed and damaged body. The war on Krypton has taken its toll.

Under their feet, the ground is littered with the dying and destroyed Brainiac robotic army.

This hand-painted, cold-cast porcelain statue measures approximately 16.5" high x 7.75" wide x 6.25" deep, and is packaged in a 4-color box.

SUPERMAN/BATMAN: APOCALYPSE DVD SUPERGIRL MAQUETTE

SCULPTED BY PHIL RAMIREZ

A mysterious space ship from **Planet Krypton** crashes on Earth with a beautiful girl inside and everyone wants to meet the new kid. **Superman** embraces the connection to his past. **Batman** suspects a traitor. **Wonder Woman** senses a kindred spirit and **Darkseid** desires a champion. But this feisty teen has her own ideas, none of which include a secret identity, a cape or heroics. It will take a life or death battle with Darkseid to uncover her true purpose on Earth. A dynamic voice cast – Kevin Conroy, Tim Daly, Andre Braugher and Summer Glau – highlights the **DC Universe Animated Original Movie** introducing the world to **Supergirl**.

This hand painted, cold-cast in porcelain maquette of Supergirl is based on art from the highly anticipated Warner Home Video made-for-DVD animated original movie, **Superman/Batman: Apocalypse**!

Measuring approximately 11.25" high x 6" wide x 5" deep, this statue includes a 4-color Certificate of Authenticity and is packaged in a 4-color box.

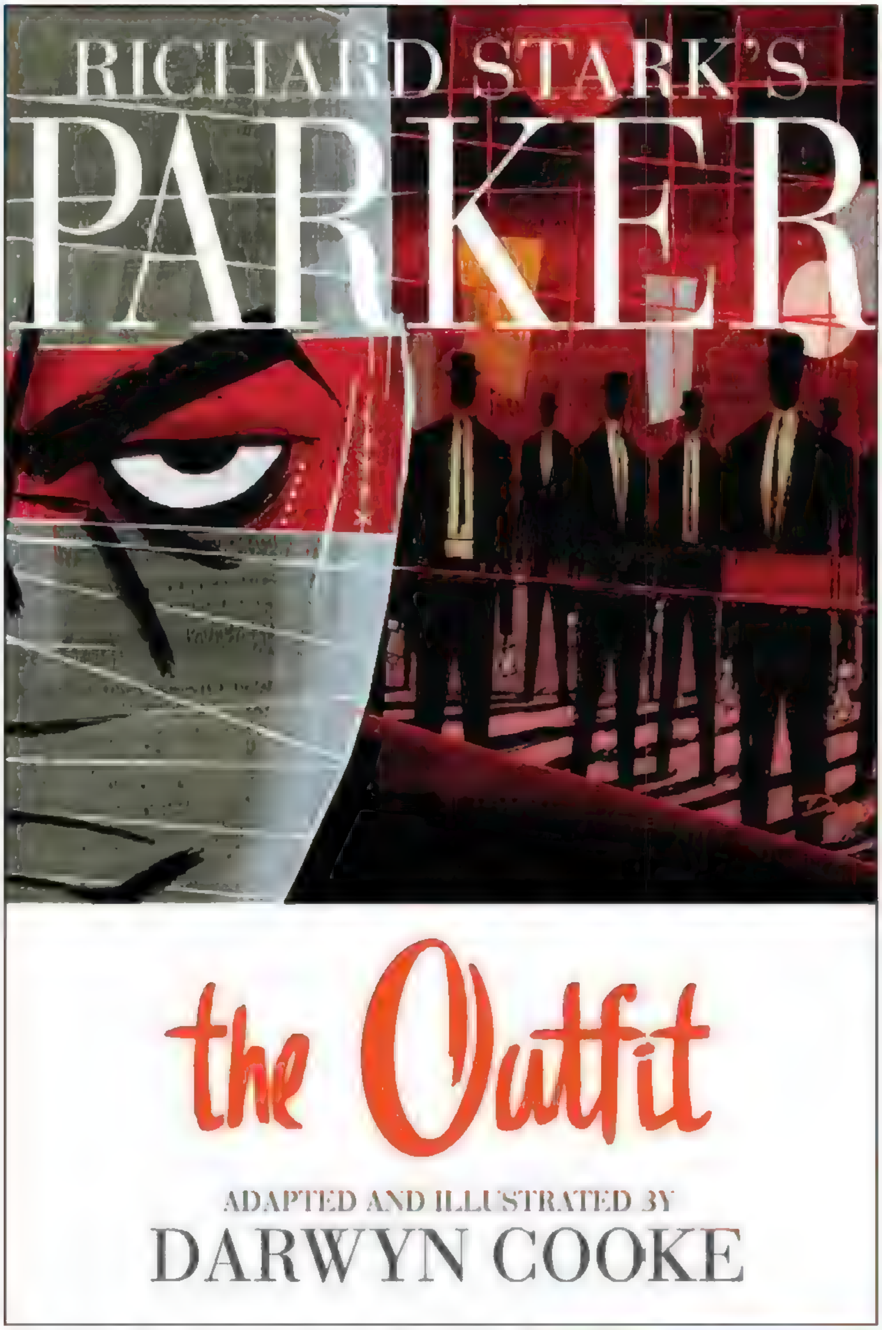
Darwyn Cooke is the Eisner Award-winning writer/artist of such classics as *DC: The New Frontier*, *Selina's Big Score*, and last year's smash-hit, *The Hunter*. Now, Cooke is back and following up the *New York Times* best-selling *Hunter* with a heart-pounding sequel: *The Outfit*.

After evening the score with those who betrayed him, and recovering the money he was cheated out of from the syndicate, Parker is riding high, living in swank hotels and enjoying the finer things in life again. Until, that is, he's fingered by a squealer who rats him out to the Outfit for the price they put on his head… and they find out too late that if you push Parker, it better be all the way into the grave!



- Ask your retailer about getting an exclusive 16-page **Darwyn Cooke** *Parker* art book. Crammed full of sketches, character designs, cover roughs, and more, all published in this extremely rare stand-alone book for the first time!
- Also available: a beautiful, suitable-for-framing print of the cover to *The Outfit* signed by
- *The Hunter* was on over 50 "Best of the Year" lists for 2009.
- Adapted from the classic caper novel by **Richard Stark**, a pseudonym used by **Donald E. Westlake**, one of the best-selling crime and mystery writers of all time.
- *The Hunter*, one of the most-lauded books of the year, sold out quickly, prompting a second printing.

Darwyn Cooke is an Eisner- and Emmy-winning creator whose adaptation of Richard Stark's first groundbreaking *Parker* novel has earned him multiple 2010 Eisner Award nominations!

OFFERED AGAIN

RICHARD STARK'S PARKER: THE HUNTER

The Hunter, the first book in the *Parker* series, is the story of a man who hits New York head-on like a shotgun blast to the chest. Betrayed by the woman he loved and double-crossed by his partner in crime, Parker makes his way cross-country with only one thought burning in his mind–to coldly exact his revenge and reclaim what was taken from him!

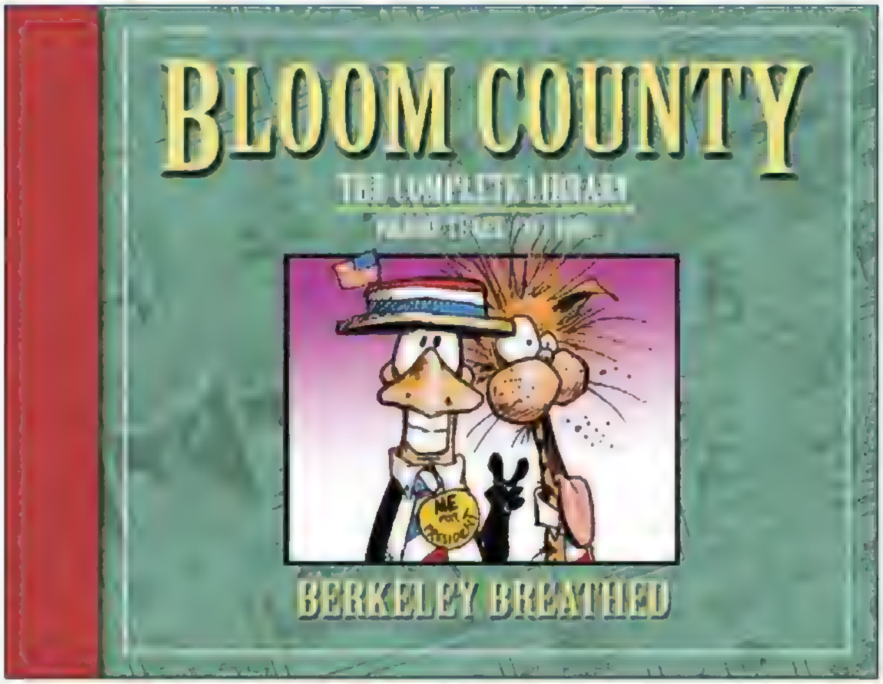
Bloom County: The Complete Library, Volume Three collects every strip from July 1984 through February 1986. Many fondly remembered strips are in this volume, including the classic 1984 presidential elections featuring possibly the finest running mates ever for such a campaign: Opus and Bill the Cat. Plus a cornucopia of ingenious satire featuring the rest of the *Bloom County* cast: Steve Dallas, Milo, Binkley, Oliver, Cutter John, and all the rest. Additionally, this volume contains many insightful, biting, and downright hysterical annotations by **Berkeley Breathed** as he comments on his strips in his own uniquely irreverent way. Context pages, for perspective, are sprinkled throughout the book.



- The first *Bloom County* collection, *Loose Tails*, sold over one million copies.
- Berkeley Breathed is a Pulitzer Prize-winning cartoonist who is also a best-selling children's book author.

Alex Toth (a & c)

HC • PC • 400 Pages • 9.5" x 12"
ISBN: 978-1-60010-828-0

$59.99

From the Eisner Award-winning team of **Dean Mullaney** and **Bruce Canwell**—who produced *Scorchy Smith and the Art of Noel Sickles*—*Genius, Isolated* is profusely illustrated with hundreds of drawings—many rare and previously unreprinted—of Toth's art; and surveys his entire career, from his earliest stories at DC in the 1940s, his defining work at Standard, his incomparable *Zorro* comics in the 1950s, examples from his thousands of drawings for animation studios, through his mature—and some say best—work, such as *Bravo For Adventure*, in the 1970s and '80s. A special section collects, for the first time, the complete *Jon Fury* pages that Toth produced while in the Army, a section that alone is worth the price of admission. To flesh out the complete story of his life and art, Mullaney and Canwell have conducted wide-ranging interviews with dozens of Toth's peers, friends, and family members.

Alex Toth was a unique and singular talent, whose lifelong body of work was the envy of his peers, and had a profound influence on generations of both comic book and animation artists. This book is the first comprehensive biography of Toth, and is produced with the cooperation of his family. It is the most eagerly awaited visual biography of the year.

EMITOWN TP

story
EMI LENOX

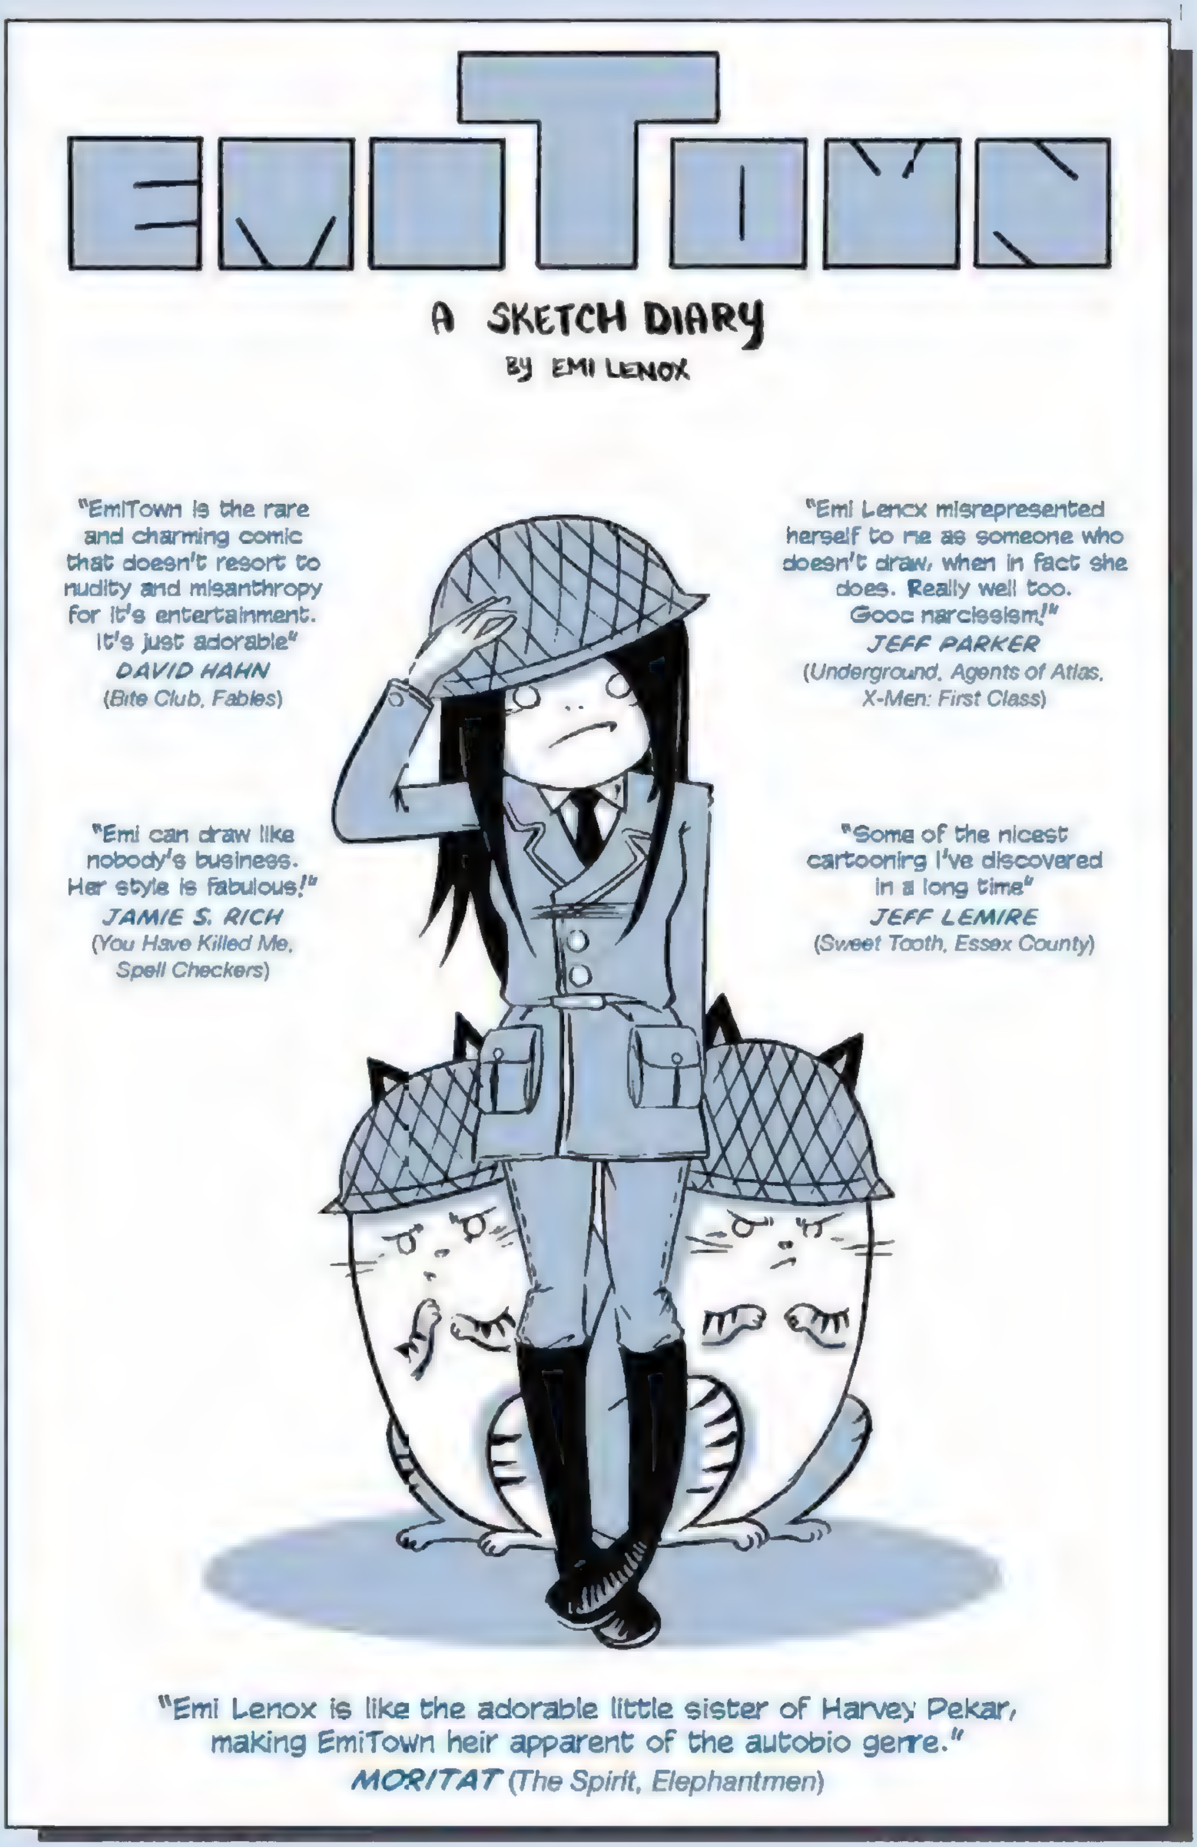
art / cover
EMI LENOX

OCTOBER 27
400 PAGES / 2C
$19.99

From the whimsical to the tragic, **EMI LENOX** brings you into her world with superb cartooning, a brilliant cast of characters, and an innocent perspective often left on the cutting room floor of other diary comics. With a broad range of styles, everyday is an adventure from the morning breakfast burrito to metaphoric tales of superheroes and battlefields of love. **EMI** proves that life is never dull in her first annual collection of **EMITOWN**!

Based out of her hometown, Portland, Oregon, **EMI** has spent the last year doodling everyday in her diary sketchbook and taking on internships within the comics community. Having been raised on manga (via her Japanese mother) she has dreamed about becoming a cartoonist at a young age. In her early twenties the works of **JEFF SMITH, ADRIAN TOMINE,** and **CRAIG THOMPSON** entered her life and super inspiration struck! This is **EMI**'s first published work.

Introduction by
JAMIE S. RICH.



"EmiTown is the rare and charming comic that doesn't resort to nudity and misanthropy for it's entertainment. It's just adorable"
DAVID HAHN
(*Bite Club, Fables*)

"Emi Lenox misrepresented herself to me as someone who doesn't draw, when in fact she does. Really well too. Good narcissism!"
JEFF PARKER
(*Underground, Agents of Atlas, X-Men: First Class*)

"Emi can draw like nobody's business. Her style is fabulous!"
JAMIE S. RICH
(*You Have Killed Me, Spell Checkers*)

"Some of the nicest cartooning I've discovered in a long time"
JEFF LEMIRE
(*Sweet Tooth, Essex County*)

"Emi Lenox is like the adorable little sister of Harvey Pekar, making EmiTown heir apparent of the autobio genre."
MORITAT (*The Spirit, Elephantmen*)

MICHEL GAGNE

OCTOBER 13
200 PAGES / FC
$17.99

The adorable little fox named Rex is plucked from his home world by a mysterious spaceship and transported to the arcane world of Edernia, where he meets Aven, an enigmatic biomorph with a flying saucer. Follow Rex on his epic journey as he travels through outer-worldly landscapes, faces strange perils, and makes surprising encounters. A story that is in turn adventurous, heroic, tragic, romantic and wonderfully surprising, **THE SAGA OF REX** perfectly captures a vision of whimsy and wonder that will delight young and old.

MICHEL GAGNE's lush and colorful illustrations, combined with cinematic storytelling, have earned **THE SAGA OF REX** a worldwide following. For the first time, the complete and unabridged tale originally serialized over a period of seven years in the award-winning anthology **FLIGHT** is now available in all its glory.

GAGNE's work on **THE SAGA OF REX** was nominated twice for the Joe Shuster Award in the best writer/artist category.

SUBURBAN ASSASSIN!

PILOT SEASON: CROSSHAIR #1

(W) JEFF KATZ
(A) ALLAN JEFFERSON
(COV) MARC SILVESTRI

Pilot Season Begins Anew as a 6 Week Event in 2010!

After settling into the life of loving husband and devoted father in the suburbs, a former assassin for the CIA learns he's been brainwashed to kill the President of the United States. To his horror, Justin Weller has discovered that in less than 48 hours something or someone will trigger his suppressed program and send him into deadly and irreversible action. Weller must discover his triggering mechanism and uncover who is behind the conspiracy that will pitch the world into chaos.

Created and story by Top Cow founder Marc Silvestri (*X Men/Dark Avengers: Utopia*) and writer Jeff Katz (*Booster Gold*) with art by Allan Jefferson (*War Machine*), Crosshair introduces a new kind of action comic.

(W) MARC SILVESTRI
(A) STJEPAN SEJIC
(COV) MARC SILVESTRI & STJEPAN SEJIC

Pilot Season Begins Anew as a 6 Week Event in 2010!

Our home planet is the strategic prize in a brutal war between two alien races. As the crucial midway point between them, the one that wins our world will win a conflict that has raged for thousands of years.

The earth is burning and the fate of mankind rests in the hands of a shattered man and a mysterious girl from a distant galaxy. Haunted by the loss of a choice made, Michael Clark tries to save a world caught in the crossfire of an intergalactic war. An entire race will depend on a single decision he must make – a decision that will see him sacrifice everything he holds dear and forever change the world we know.

Created and co-written by Marc Silvestri (*X-Men/Dark Avengers: Utopia*) with art by Stjepan Sejic (*Witchblade*), Midway Earth re-imagines the alien invasion story in a way never seen before.

EXECUTIVE ASSISTANT: IRIS TPB

She's a secretary, bodyguard, and assassin all rolled into one...

Meet Iris, a loyal and ruthlessly efficient subordinate to her powerful, corporate boss Mr. Ching. In the modern, cutthroat corporate world, today's CEO needs an intimidating edge to stay on top, and Iris is more than well trained to oblige the demand of her employer, including murder. However, Iris discovers the man she has dutifully served for most of her life is far more corrupt than the people she is sworn to protect him from. Now torn between her loyalties to the only person she's ever served, and the new life she realizes she's ready to explore on her own, she must make a choice that could ultimately lead to her demise. Iris' treacherous journey for redemption is set in motion as the entire first volume of the critically acclaimed action-adventure series is collected here for the very first time!

The past comes crashing into the present in this final exciting issue of the all-new Aspen mini-series, FATHOM: BLUE DESCENT! Worlds collide in this epic finale as the Blue and the ancient race of the Black set forth events that forever mark the Fathom Universe--including Aspen Matthews! In his attempt to rescue his wife Eilah from the deadly clutches of Rahger and the Black, Abseloma may finally fill the missing voie of patriarch for his fractured family...or he will die trying.

With FATHOM's return at hand, some new creators and several familiar names are coming along for the ride! Taking charge of the writing chores is David Schwartz, known for his critically acclaimed Image Comics title Meltdown. Art duties for all of Aspen's curvaceous lines and intricate environments will be handled by Alex Sanchez of Spiderman Unlimited and JSA Classified fame. Together, this dynamic duo is locking forward to putting their stamp on FATHOM: BLUE DESCENT as never before!

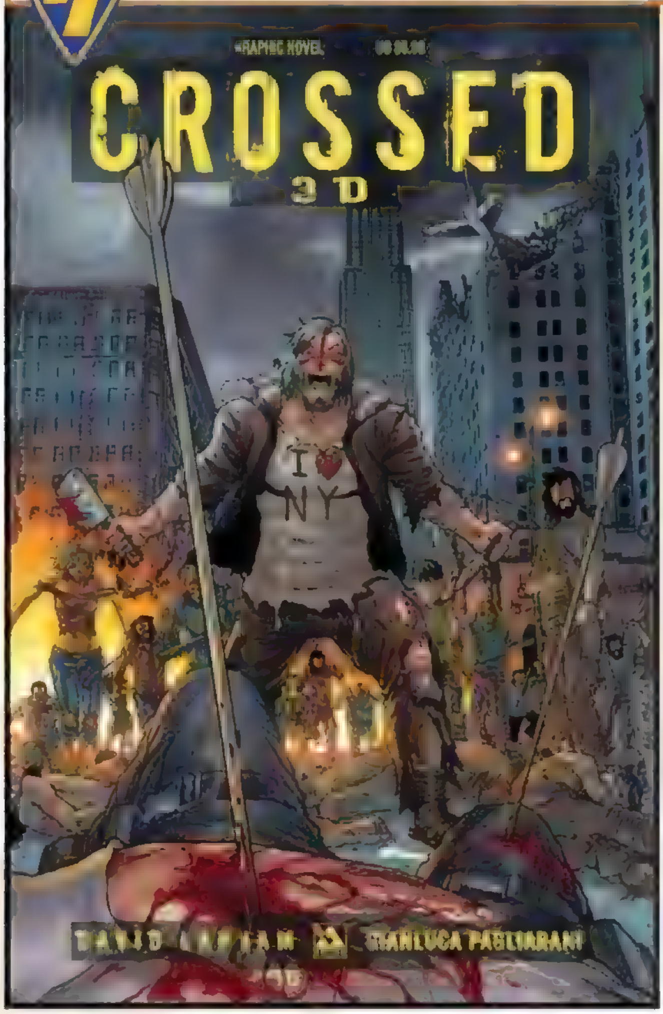
OCTOBER FEATURED ITEM CROSSED 3D VOL 1 GN



Retail Price: $8.99

Cover: Jacen Burrows
Writer: David Lapham
Art: Gianluca Pagliarani
Format: Full Color, 48 pages, TPB, MR

PRODUCT DESCRIPTION: Crossed bursts into a whole new dimension of horror with this original full-color graphic novel in 3D! Some horrors have to be seen to be believed, and writer David Lapham delivers a shocking tale of Crossed in New York City! Every panel explodes off the page with hyper-detailed art by Gianluca (Ignition City, Wolfskin) Pagliarani and colors by Digikore. When one of the last surviving human Doctors gets trapped in a New York skyscraper, S.W.A.T. veteran Lt. Hunt MacAvoy must assemble and arm a rag-tag group of handymen to go on a rescue mission of madness – right into a city of millions of Crossed! Created with state-of-the-art 3D effects over full color art, this graphic novel promises to shock and disturb you in a way you've never seen before! Every copy ships with a removable pair of 3D glasses bound into the spine and is available with a cover by Pagliarani or a special Hardcover edition, with a new cover image by Jacen Burrows, that is limited to only 5000 copies.

CROSSED: Family Values #6

Writer: David Lapham
Regular Cover: Jacen Burrows
Art: Javier Barreno
Format: Full Color, 32 pages, #6 of 7, Mature Readers

Regular cover retail price: $3.99 US

PRODUCT DESCRIPTION: The biggest hit horror series of the year returns with an all-new seven-issue series written by David (Stray Bullets) Lapham! The last of Adeline Pratt's humanity might finally be beat out of her as the few survivors left in her family begin to turn on each other. Can it really be the humans are just as evil as the Crossed? The best laid plans fall apart and all bets are off as their Mother returns – now as a Crossed and looking to turn her children as well. Imagine, for a moment, the worst crimes against humanity. Picture the cruelest affronts to decency. Conjure your darkest nightmares... and then realize it could all be so much worse. When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed. Crossed: Family Values #6 is available with a Regular, Wraparound, and Torture cover by Jacen Burrows, and a special rare Red Crossed retailer incentive.

NIGHT OF THE LIVING DEAD #1

Writer: Mike Wolfer and John Russo
Regular Cover: Paul Duffield - **Art:** Tomas Aira
Format: Full Color, 32 pages, #1 of 5, Mature Readers

Regular cover retail price: $3.99 US

PRODUCT DESCRIPTION: Fans have demanded it, the most unprecedented and horrifying night in American history continues as the next chapter of NIGHT OF THE LIVING DEAD is revealed at last! Set on that fateful evening in 1968, shocking reports from rural areas continue to flood the airwaves with accounts of the recently deceased rising up to kill the living Now government officials begin counter-measures to calm an increasingly panic-stricken public. Questioning whether or not the unbelievable stories are truth or simply an elaborate hoax perpetrated by militants opposed to the Vietnam War, the attention of the nation's Capitol is focused on a threat more believable, as thousands of protesters converge on Capitol Hill to voice their opposition to the War. But with National Guard forces spread impossibly-thin to deal with civil unrest, Washington D.C. is completely unprepared for an event that will forever change the course of the country, and perhaps the world, as an unstoppable army of the undead begins to flood the city, bringing their blood-thirsty reign of terror to the very steps of the White House! Written by the smash duo of Mike Wolfer and John Russo, the original film co-writer, this blood-drenched five issue series features new artist Tomas Aira. Don't miss all the terrifying covers, Paul (Freakangels) Duffield provides the Regular edition, Raulo (Cpt Swing) Caceres melts eyeballs with the Wraparound cover, and twisted Matt Martin splatters the Gore covers all over the page. Also, retailers can get a ultra-rare Classic B&W cover as an order incentive.

Alan Moore's NEONOMICON #3

Writer: Alan Moore
Art: Jacen Burrows
Cover: Jacen Burrows
Format: FC, 32 pp, #3/4, MR

Reg. cover retail price: $3.99

DESCRIPTION: From the award-winning master of comics, Alan Moore, comes a brand new tale of Lovecraftian horror that will leave you too afraid to close your eyes, but more afraid to open them.

NEONOMICON, the sequel to THE COURTYARD Graphic Novel, is slithering its way onto shelves to take its place as a Great Old One of comics terror! Illustrated by Moore's favorite demented artist, Jacen Burrows, NEONOMICON pulls no punches as every full-colored page is covered in nightmares brought to gruesome life. Agents Brears and Lamper are missing. Vanished without a trace from Salem Massachusetts. And the only clues available to the FBI are the gibberish ramblings of Randolph Carter and a book of the occult that makes even less sense. But just because no one understands what's happening doesn't mean it's not all real. The horror as only just begun, and there's a whispering, lisping laughter that sounds an awful lot like Johnny Carcosa... Alan Moore's Neonomicon #3 is available with a Regular and Wraparound covers by Jacen Burrows, and a special rare Book of the Dead retailer incentive by Burrows.

FEVRE DREAM ISSUE #8

Writer: George R. R. Martin
Art: Rafa Lopez
Cover: Felipe Massafera
Format: FC, 32pp, #8/ 10, MR
Reg. cover retail: $3.99 US

About: The ten-issue vampire epic on the bayou from the writer of the A Song of Ice and Fire novels continues! From the New York Times Best-selling author, George R. R. Martin, comes a tale of vampire clans, death and debauchery, legendary blood masters, and even a few epic steamboat races on the muddy Mississippi. This is Martin's FEVRE DREAM, an antebellum story of power, loss, and the fever of bloodlust The Fevre Dream is the fastest boat on the river, but Abner Marsh is sick and tired of being hunted, chased, and prey. Giving the Eli Reynolds a full head of steam, he sets off down the Mississippi, and he's going to hunt down his boat, and his friend. Damon Julian may be the new bloodmaster, but Marsh is out for more than just blood, hes going to reclaim his pride. Each issue of this stunning full-color epic is illustrated by Rafa Lopez, an artist whose skilled line captures every moonlit drop of blood in delicious detail. Adapted by the Hugonominated author Daniel Abraham, this version of FEVRE DREAM stays faithful to Martin's original dark vision, while bringing the torture and joy of his vampires to almost-human life. This haunting series is available with Regular and Wraparound painted covers by Felipe Massafera and a very limited Nightmare retailer incentive.

(A) Alessandro Miracolo
Olivia Newton-John's career has spanned decades! She burst onto the scene in the 1970's as Sandy in the smash movie-musical *Grease*. Musically she spawned numerous top ten hits including the 80's aerobic anthem "Physical." The 90's, however, marked one of her biggest life achievements — surviving breast cancer. This issue will feature a resource guide for breast cancer awareness, with a portion of proceeds going to charity.

DENIS KITCHEN'S
CHIPBOARD SKETCHBOOK HC
(W/A) Denis Kitchen
Following on the heels of *The Oddly Compelling Art of Denis Kitchen*, an overview of the pioneering underground cartoonist published this summer by Dark Horse Books, *Denis Kitchen's Chipboard Sketchbook* is comprised of particular kinds of drawings on "chipboard" that Kitchen has done below the radar for many years. Chipboard is the heavy, grainy card stock at the base of writing tablets. The artist started the habit of drawing on this unlikely substance during long, often boring production meetings at Kitchen Sink Press, his former company, when he would flip his notes tablet over and doodle with a combination of the only tools at hand: a Sharpie pen and fine-point Uniball pen. With subject matter often extremely bizarre, or, in his own words, even "demented," Kitchen filed these away for many years. They were seen only his close friends and colleagues... until now! Measuring 6.25" x 8.75", this collection features an extra-thick 3mm cover stock (*chipboard*, of course) with a de-bossed cover image and vertical belly band. The full-color 128-page hardcover was edited and designed by Greg Sadowski and art directed by John Lind, who won a 2009 American Graphic Design Award for their work on *Underground Classics* (Abrams). THE ADVENTURES OF HUCKLEBERRY FINN GN
(W) Mark Twain, Rolana Mann
(A) Naresh Kumar
The Widow Douglas is doing her best to civilize Huckleberry Finn, but it just isn't working. Wearing clean clothes, going to school, and having a hot meal waiting for him when he gets home are becoming boring and tedious. So, to make his life more interesting Huck sets sail on his raft for a secluded island. When he arrives he finds he's not the only one who has decided to live there. On the river, he encounters thieves, a flood, con men, violent shootouts, family feuds and much more. (C: 0-1-2)

EDISON'S FRANKENSTEIN – 1910 CENTINNIAL EDITION
(W) Chris Yambar (A) Robb Bihun, Levi Krause
In 1910 inventor Thomas Edison made the world's first Frankenstein movie. Due to public outcry against it, all prints were gathered and destroyed and the monster would not be seen again on the silver screen until the Universal version in 1931 that starred Boris Karloff. For nearly 80 years this film was considered one of the Top 10 lost films. Today, only one copy of *Edison's Frankenstein* is known to exist. This lavishly illustrated adaptaion is released to coincide with the film's historic 100th anniversary, and for many this will be the only opportunity to experience Edison's most infamous creation.

AN INTERVIEW WITH *WARLORD OF MARS* WRITER, ARVID NELSON

Were you a fan of Edgar Rice Burroughs before you got the offer to write Warlord of Mars?
The brutal, ugly truth is "no". I'd never read him before. I figured the novels were so old they'd be too stuffy and difficult to wade through. So I started *Princess of Mars* with a lot of apprehension, but it disappeared literally by the time I'd finished the first page. I was amazed at how fresh and original it was. Like a really good Hollywood blockbuster on paper.

Your *Warlord of Mars* comic is going to be an extension of the original, *Princess of Mars*. What additional elements should long-time fans expect to appear in *Warlord of Mars*?
It's always a question of space! You can tell a lot more story in a page of prose than on a page of comics. I've got a lot of ideas I'm dying to explore, far too many. It's a great problem to have. One of the most important things readers will see is an "updated" version of Mars. All the illustrations I've seen of the series are a little musty, at least to me. The Martian airships, for instance, are usually depicted as floating submarines. We want to be ultra-faithful to the source material, but we want it to look really cool, too.

For anyone unfamiliar with Burroughs, can you briefly describe the story in Warlord of Mars?
John Carter is an ex cavalry officer in the Confederate Army. The Civil War has just ended, and he finds himself mysteriously (and nakedly) transported to Mars while prospecting for gold in the Arizona wilderness. Mars is a dying planet, inhabited by the nomadic, four-armed green Martians, who war on the more technologically advanced red Martians. The green Martians are huge, ugly mothers, with four arms, but the red Martians look like us. The greens capture a princess of the reds, and it's up to Carter to rescue her.

What does Warlord of Mars offer readers that no other comic could?
I don't even know where to begin. I've never read a story as captivating and creative as *Princess of Mars*.

What does Steve Sadowski's art bring to the project?
Steve is a huge part of the equation. Like I said, we're going to give our Mars a sleeker, more up-to-date look. "Cooler," hopefully. In addition to being a master of illustration, Steve has a great eye for design. I can't wait for people to see what he's come up with!

For centuries, Persemhia -- a tiny border kingdom of Shem -- has faced down enemies from Koth, Argos, and Stygia. But the arrival of Red Sonja and her band of mercenaries has called down the combined might of all those opponents, under the command of the deadly General Cavvalus. To defeat Cavvalus and his mighty legions, Sonja may be forced to do the unthinkable surrender.

Imagine Gossip Girl combined with the West Wing. Nick Balder and his younger sister Lucy are the new kids at the exclusive and legendary Belmont Friends High School just across the Potomac in suburban Virginia. Like any teens plucked from their own comfortable surroundings, uprooted from their native community and high school full of loyal friends, and forced into a new school where entrenched clicks and social hierarchies exist, difficult challenges loom. But beyond that, Nick and Lucy's assimilation brings with it some special circumstances. They're new in town because their father James Balder has a new gig that demanded the move from their native suburban Michigan town to Washington D.C. The new gig is pretty prestigious – John Balder is the new President of the United States of America.

Set in the not too distant future... When a 100-year global drought devastates the Earth and a failed rainmaking experiment destroys the atmosphere, humankind teeters on the brink of collapse. As the remaining nations wage war over dwindling water supplies and natural resources, two rival scientists on opposite sides of the world discover a lost glacier high in the Andes-- setting off a deadly race to claim and control the planet's last known source of fresh water. The story focuses on Aaron Turner, a brilliant volcanologist with a secret past he'd like to keep hidden. Aaron's known for his radical, sometimes controversial theories and his intelligence is off the charts, but he's trapped in the shadow of his father's brilliance and failures – a burden that may finally lift if Aaron reaches the buried glacier first. But a terrible revelation awaits underground that threatens the very existence of their mission.

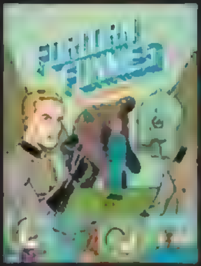
THE LITTLE MAAKIES ON THE PRAIRIE
TONY MILLIONAIRE



SANCTUARY
NATE NEAL

LAST ROSE OF SUMMER
A NOVEL BY MONTE SCHULZ

LITTLE MAAKIES ON THE PRAIRIE
by Tony Millionaire
$19.99 / HC / 112 pgs / BW

Drinky Crow may be the drunken star of the weekly comic strip *Maakies*, but more often than not, he plays straight man to the hapless drunk ape, Uncle Gabby. Here is the newest, drunkest collection of Tony Millionaire's drunk strip, featuring two drunk years of drunk comics collected for the first time, drunk.

FORLORN FUNNIES VOL 1
by Paul Hornschemeier
$8.99 / SC / 48 pgs / FC

Sci-Fi to surrealism, period pieces to the modern quotidian. *Forlorn Funnies* is an ongoing collection of stories, experiments and gags by one of our most skillful and prolific cartoonists. The centerpiece of this volume is Act One of "Obvious Amenities," the story of traveling salesman Edward Molson and his harrowing journey through the wilds of America.

THE SANCTUARY
by Nate Neal
intro by Dave Sim
$22.99 / SC / 200 pgs / BW

In Nate Neal's first graphic novel, the author explores the primal mysteries and sordid inner workings of a Paleolithic cave-dwelling tribe, creating an original "silent" reading experience by using symbols instead of words. When a nomad girl is offered up as an item of trade, she seeks refuge by forming a tenacious friendship with the local cave-painter. Together they set out on a dangerous mission to bring truth to their corrupt tribe.

LAST ROSE OF SUMMER
by Monte Schulz
$29.99 / HC / 304 pgs

PROSE NOVEL! Monte Schulz, son of celebrated Peanuts cartoonist Charles Schulz, examines the surprising truths of three strong-willed women in the summer of 1929. Schulz delicately charts the tender rhythms of a small East Texas town as its inhabitants grapple with identity as related to gender, race and family. With respect, this generous novel tunes our emotions to the collective and poetic web of experience, shattering the varnish of everyday fiction into a constellation of real life.

The Littlest Pirate King

THE LITTLEST PIRATE KING
by David B. & Pierre Mac Orlan
$16.99 / HC / 48 pgs / FC

For decades they have roamed the seas, this shipload of undead pirates. They are desperate to die, but every time they try to dash their ship to splinters and end their miserable existence, a malevolent God scoops them out of danger. Until one day, having exterminated yet another ship of the living, they come upon a pink little baby. Adopting him as their mascot and dubbing him the "Littlest King," they continue their pillage. But eventually the King begins to grow up... Adapted by David B. (*Epileptic*) from Pierre Mac Orlan's classic tale.

TOYS IN THE BASEMENT
by Stéphane Blanquet
$14.99 / 32 pgs / HC / FC

Dressed in an embarrassing pink bunny costume, the young hero of this story while attending a Halloween party stumbles upon a hidden doorway which leads him to a secret society of damaged, forgotten, and angry toys — including the terrifying Amélie: a towering sentient assemblage of broken toy parts out for revenge! Imagine *Toy Story* by David Lynch and Charles Burns and you'll have a good idea of what this story is like. And yes, it is for kids! Written and illustrated by Stéphane Blanquet (*Dungeon: Monstres*).

Hereville
How Mirka Got Her Sword
Barry Deutsch

HEREVILLE: HOW MIRKA GOT HER SWORD GN
Amulet Books

Witches, trolls, talking pigs, and knitting lessons — yup, *Hereville* brings the goods. With its heroine growing up in a blended family, an orthodox Jewish community, and a rich fantasy world, there are a few different gimmicks this book could lean on, but Deutsch neatly balances these elements rather than belaboring them, making for a fun and endearing story.

Eleven year-old Mirka Hirschberg is a sympathetic, dynamic protagonist who will appeal to fans of Raina Telgemeier's *Smile*, Jane Yolen's *Foiled*, and even Joe Kelly's *I Kill Giants*. As a sister, daughter, and aspiring dragon slayer, she joins the heroines of these other works as an appealingly imperfect character learning to understand her own goals. She's also very bright, and it's entertaining to watch her start debates with her stepmother Fruma, who is not so much wicked as wickedly clever.

Hereville: How Mirka Got Her Sword is only the first chapter in a story that promises much more fantastic adventure and social tension. Highly recommended to anyone with an interest in Orthodox Jewish culture, sword acquisition, or trolls with an affinity for needlecraft.

PS238
(alternate) UNIVERSAL SOLDIER

PS238 #48
Do Gooder Press

The best superhero book you're probably not reading!

Before *Grounded*, before *Necessary Evil*, and yes even before *Sky High* there was *PS238*. A secret primary school for super powered children, it chronicled the awkward exploits of young Tyler, the son of Earth's two most powerful superheroes who, much to his parents' chagrin, has yet to exhibit powers of his own. Tyler becomes embroiled in the many plots, schemes, and events that surround his fellow classmates and time and time again proves that you don't actually need powers to be super.

What makes *PS238* unique is the wit, humor, and obvious love Aaron Williams has for the superhero genre, even as he blasts holes into every comic book, movie, and educational trope you've ever heard of. I've been a reader since day one, and let me tell you — after nearly 50 issues the book still delivers on every level that made it awesome in the first place.

Grab you backpack, trapper-keeper, and spare costume and join Tyler and the dozens of unforgettable characters who make *PS238* such a pleasure to read issue by hilarious issue.

ALLEN GINSBERG'S HOWL: A GRAPHIC NOVEL GN
(W) Allen Ginsberg (A) Eric Drooker
A tie-in to the forthcoming movie Howl starring James Franco and featuring graphics by Eric Drooker, this graphic novel adapts Allen Ginsberg's legendary poem. *Howl: A Graphic Novel* visualizes the poem stanza by stanza with illustrations drawn from Drooker's storyboards, key frames, concept art, and cells from the Monk studio's animation. The book's introduction tells the story of the genesis of Ginsberg's poem, the obscenity trial it spawned, and its subsequent victory, and will also describe the making of the film. For the past four years, Drooker has worked as the Animation Designer on the film, utilizing an unusual blend of live action and animation to illustrate the full text of Ginsberg's epic poem. NOTE: Previously offered in *Previews Plus #S25*.

HOW TO DRAW
(W/A) Scott McCloud
Scott McCloud, a twelve-time Harvey and Eisner Award nominee, uses a comic book to explain and analyze the medium of comic books themselves. This ultimate book about comics dissects the art form and shows how words, lines, colors, symbols, panels and pictures all come together to create a unique and one-of-a-kind storytelling experience. McCloud shows how this unique genre is just as important and valid as film and prose in his own funny and profound manner.

CHARLES BURNS' X'ED OUT GN

(W/A) Charles Burns

From the creator of *Black Hole*, the first volume of an epic masterpiece of graphic fiction in brilliant color! Doug is having a strange night. A weird buzzing noise on the other side of the wall has woken him up, and there, across the room, next to a huge hole torn out of the bricks, sits his beloved cat, Inky, who died years ago. What's going on? Drawing inspiration from such diverse influences as Hergé and William Burroughs, Charles Burns has given us a dazzling spectral fever-dream — and a comic-book masterpiece. BLACK HOLE: THE COLLECTED EDITION SC (NEW PRINTING)

(W/A) Charles Burns

Winner of the Eisner, Harvey, and Ignatz Awards. Suburban Seattle, the mid-1970s. A strange plague has descended upon the area's teenagers, transmitted by sexual contact. The disease is manifested in any number of ways — from the hideously grotesque to the subtle (and concealable) — but once you've got it, that's it. What unfolds isn't the expected battle to fight the plague or even to treat it. Instead, we witness the nature of high school alienation itself. *Black Hole* deftly explores a specific American cultural moment in flux and the kids who are caught in it.

British comics makes an evolutionary jump. In the fifties it was The Eagle. In the seventies it was 2000AD. Now the most important comic-book event in over thirty years takes place with Clint magazine as best-selling writer Mark Millar and industry legend John Romita Jr bring you the sequel to their US #1 movie Kick-Ass with Kick-Ass 2: Balls To The Wall. Harnessing the biggest names in British television with the most exciting figures in US comics, Mark Millar is writing and editing a revolutionary new book that covers superheroes, vampires, super-villains and science fiction combined with some of the best journalists from film magazines Empire and SFX. You weren't around when Dan Dare was launched. You weren't around for Judge Dredd. Get in on the ground floor now and be a part of comic-book history. A collectors item must have!

7 BILLION NEEDLES VOLUME 2 GN
(W/A) Nobuaki Tadano
Loosely inspired by Hal Clement's novel *Needle, 7 Billion Needles* follows the life of a teenage girl whose life is dramatically changed when her body is possessed by an alien life form caught up in an intergalactic manhunt. As strange as "normal" might seem to her now, "happy days" are much more welcomed than the surreal days Hikaru experienced with Celistial. Having wasted Maelstrom in battle, she has been freed from the voices and is moving on with her life. But not only is Maelstrom still around and possibly more determined than ever to defeat Celestial, but Celestial has been in her blood all along! (C: 0-1-2)

SPOTLIGHT ON

TEZUKA'S AYAKO GN
(W/A) Osamu Tezuka
Long considered as one of Osamu Tezuka's most political narratives, *Ayako* is also considered to be one of his most challenging as it defies the conventions of his manga by utilizing a completely original cast and relying solely on historical drama to drive the plot. Set in the aftermath of World War II, *Ayako* focuses its attention on the Tenge clan, a once powerful family of landowners living in a rural community in northern Japan. The war and American occupation have begun to erode the fabric that binds them all together. And when the family seems to have completely fallen apart, they decide to turn their collective rage on what they believe to be the source of their troubles — the newest member of the Tenge family, the youngest sister Ayako.

EXCESS: THE ART OF MICHAEL GOLDEN SC (NEW PRINTING)
(W) Renee Witterstaetter
(A) Michael Golden
Golden's unique, innovative work has been seen in *Micronauts, The 'Nam*, and *Dr. Strange*, as well as almost every major character in comics. *Excess*, the first color hardcover retrospective of his work, features Golden's own words as he discusses his art and technique in depth. For Golden, "excess" defines a mind that can form every fold and nuance of a character without being overwhelmed by the frenzy.

TOP 10 DEADLIEST SHARKS

Joe Brusha (Writer), Andy Dehart (Contributing Editor)

Zenescope branches out with its brand new all-ages imprint: Silver Dragon Books. And Silver Dragon has teamed with the Discovery Channel for Discovery's first ever graphic novel release - Top 10 Deadliest Sharks. Sharks are one of the world's oldest and most ferocious predators. For as long as man has entered the sea, sharks have struck fear in their hearts. This groundbreaking graphic novel examines the planet's deadliest sharks and sheds light on their true nature while refuting the notion that they are mindless killing machines and are in reality among the most amazing and well adapted creatures on earth.

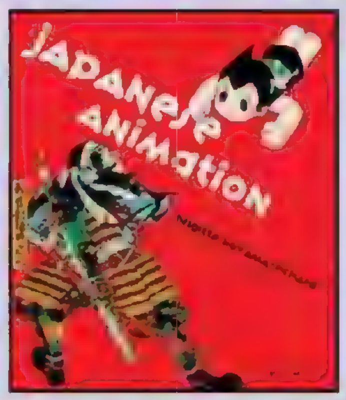
ANIME BOOKS

SPOTLIGHT ON



JAPANESE ANIMATION HC
(W/A) Brigitte Koyama-Richard
A dominant force in its home country since the 1970s, Japanese animation has become a global phenomenon in recent years. Far from being a contemporary invention, anime draws on the same centuries-old artistic traditions that form the basis of manga. Brigitte Koyama-Richard studies the evolution of Japanese animation through the centuries, retracing its history from painted scrolls to woodblock prints, to animated films, first in black and white, and then in color. Illustrated with over 500 images, this book bridges the gap between art history and pop culture. (C: 0-1-2)

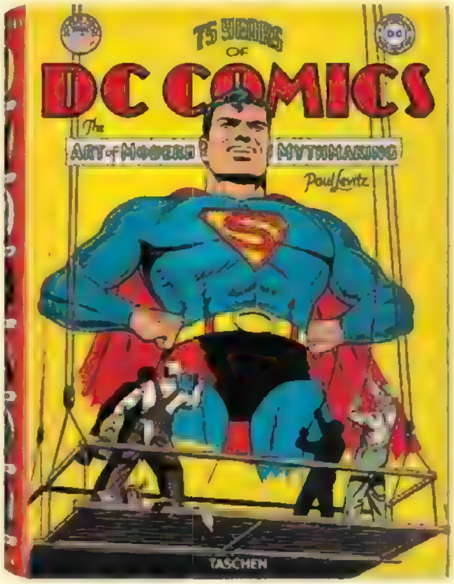
75 YEARS OF DC COMICS: THE PAUL LEVITZ INTERVIEW

[Continued from FLIPside Page 3]



Courtesy TASCHEN

JP: Can fans expect "insider" history that they've never been privy to before?

Levitz: There's insider stuff in the sense of "learning the secrets behind the comics" such as "This is the day when..." we don't really have the length for a lot of that, and the inside-baseball stuff of it tends to be most important to the fan who understands all of the context in this book is being written to make sense both to the fan and to the person who loved a character when they came to television. There wasn't room for a long discussion about Doom Patrol and why it started with #86 rather than issue #1; that probably isn't the "magic trick" for a book like this but there'll be things in the book, I think, that many fans didn't know before and will find interesting.

JP: What part of creating *The Art of Modern Mythmaking* was the most fun for you?

Paul Levitz: Finding the weird stuff! This has all been part of my life, so going back and finding the an old article that Lloyd Jacquet wrote 50 years ago that I had pulled out from a fanzine and thrown in my files. He talks about the printing of the first issue of the first DC, *New Comics* #1. I haven't thought it about for years since, but now I read it and think *"Oh yeah, the first DC was printed Brooklyn, where I was born, at the Brooklyn Eagle? And that's why it was in black and white and not in color like all the other early comics that Max Games was doing over at Eastern Color? Ohhhh, that's why it's like that!"* And that wasn't an unknown fact, in the sense that it was in was in a fanzine article from 20-30 years ago or even this article that was published 50 years ago, but to me it was a *"lost"* fact, and then here and there we find things that genuinely are completely unknown.

JP: If DC's past history is any indication of the future, where do you see DC Comics in five years and beyond?

Levitz: If you had asked me when I came into the comic business in the early 1970s to envision a world in which comic book publishers were publishing four volume sets of books like *The Sandman* and readers were cheerfully paying a total of $400 bucks for that, I'd have had you committed. Neil Gaiman had been a passionate advocate of doing a project like that for 5 to 10 years before we did it, and every time he came in to pitch the project, I would either laugh him out of the office or gently cajole him out of the office saying *"The world's not ready for it yet, Neil."* Neil's vision was correct; I don't know if the world would've been ready for it before DC chose to do it, maybe a little bit earlier, not a lot. But there it is now, and now there's bodies of works being produced that way and doing large volumes of sales. If you'd have asked me ten years ago if it was possible to sell 1,000,000 copies in a year of a graphic novel that was 20-years-old, I'd say *"I don't know how."* So I'm not going to look forward to the next 20 or 30 years and claim the ability to prognosticate where this all going to end up. Certainly we're going to live through a digital revolution; we'll see how the next generation likes getting their comics, whether they want them in print or digitally-printed; if they want some new form of comic created just for digital consumption. That's going to change and evolve, the kind of stories are going to change and evolve, we've just begun to have the freedom in America to tell something resembling the wide range of stories that are told in Japan, France, and the rest of the world. It's hard to define where the hell it's going, but it sure looks to be an interesting ride!

JP: What are some of the unique insights into the history of DC Comics that you feel *The Art of Modern Mythmaking* offers to fans? What kind of understanding of DC history do you hope the readers will gain from these insights?

Levitz: I think they'll be able to see enough of a sampling of the history of DC to get a sense of the enormous breadth of it. The last time anything like this was done was 15 years ago. Even though the history was shorter, the book was so much smaller that on many of the subjects, if you got one illustration in, that was it. You didn't get the stock illustration, but the most likely illustration. Here I think you're going to see a large range of material that will enhance your sense of how all the pieces of the puzzle come together.

JP: There's a buzz building on the new *Legion of Super-Heroes*. What can readers expect within the next few months?

Levitz: I think there's a few surprises in store, even within the next few issues. Issue #5 finishes up the basic arc of "Earth Man's Choice", and the cover to #6 is somewhat the punch line to that story as we move into its epilogue, and I think it's just a very beautiful and very unexpected moment, and hopefully one that the fans will have a fair amount of energy arguing about!

75 YEARS OF DC COMICS: THE ART OF MODERN MYTHMAKING HC

(W) Paul Levitz

In 1935, DC Comics founder Major Malcolm Wheeler-Nicholson published *New Fun* #1, the first comic book with all-new, all-original comic material. What began as disposable media for children was soon on its way to becoming the mythology of our time, the 20th century's answer to Atlas or Zorro. Over 40,000 comic books later, in honor of the publisher's 75th-anniversary, Taschen has produced the single most comprehensive book on DC Comics in an edition even Superman might have trouble lifting. Over 2,000 images are reproduced to bring the storylines, the characters, and their creators to vibrant life as they've never been seen before. Telling the tales behind the tomes is 35-year DC veteran Paul Levitz, whose in-depth essays trace the company's history, from its pulp origins through to the future of digital publishing. (C: 0-1-2)

THE HORROR ! THE HORROR! COMIC BOOKS THE GOVERNMENT DIDN'T WANT YOU TO READ! SC

(E) Jim Trombetta

The Horror! The Horror! uncovers a rare treasury of some of the most important and neglected stories in American literature — the pre-Code horror comics of the 1950s These outrageous comic book images, censored by Congress in an infamous televised U.S. Senate subcommittee investigating juvenile delinquency in 1954, have rarely been seen since they were first published. Jim Trombetta provides a detailed history and context for these stories and their creators, spinning a tale of horror and government censorship. (C: 0-1-2)

BACK TO THE FUTURE: RAIL-READY TIME MACHINE

A Diamond Select Release! The time machine from the Back to the Future movies has undergone many changes. What started as a sports car combined with spare parts and some plutonium became futuristic by the second movie. Upgrades like a "Mr. Fusion" power source and hover/flight capabilities certainly took the time machine to places where "roads were not needed"! An unplanned trip to 1885 stranded our traveler in the past, unable to run the time machine due to a lack of gasoline. After several failed attempts to get the time machine moving fast enough to reach 88 MPH, activate the flux capacitor, and make the return trip to 1985, the time machine was refitted for travel on the existing railways of the Old West!

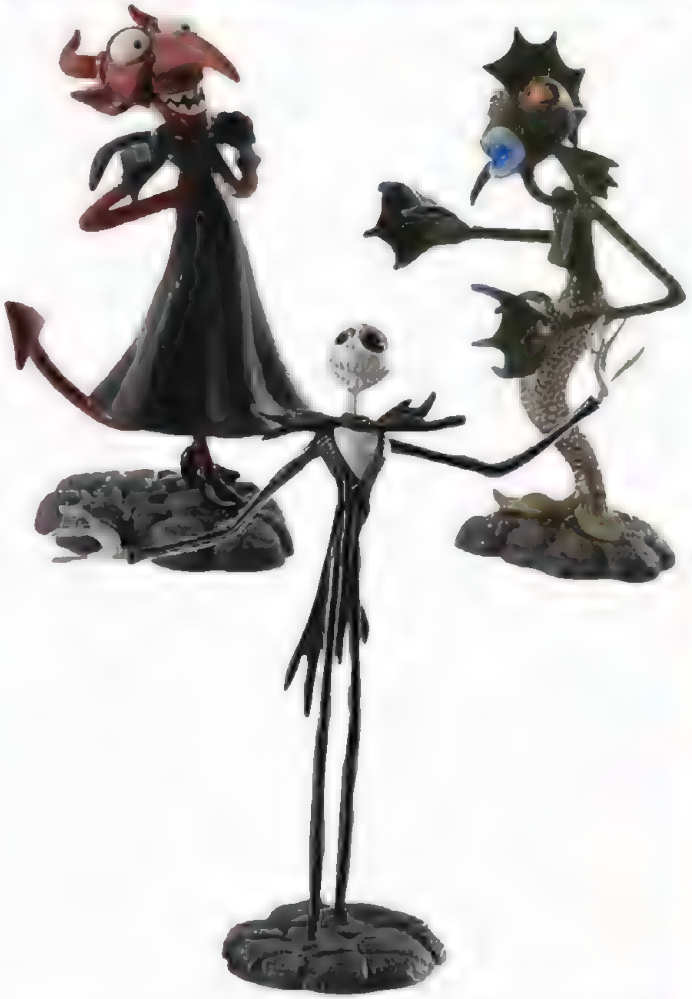
NIGHTMARE BEFORE CHRISTMAS

THE NIGHTMARE BEFORE CHRISTMAS
CLASSICS COLLECTION



WDCC NIGHTMARE BEFORE CHRISTMAS STATUES

Celebrate the most macabre holidays ever with the devilish denizens of Halloweentown from Tim Burton's enchanting film *The Nightmare Before Christmas*, gleefully gathering in the Town Square to welcome their dapper Pumpkin King, *Jack Skellington* (8 5/8" tall), hand-crafted in fine porcelain plussed with bronze hands and pewter limbs. Joining Jack are more comically creepy creatures, busily scaring up some screams. The delighted *Devil: Debonair Demon* (5" tall) and the charmingly repellent *Undersea Gal: Briny Beauty* (7" tall) give Jack the highest compliment possible — he made flesh crawl! Crafted of kiln-fired porcelain with pewter elements, both statues are production limited to 2010 calendar year only, so don't delay! Based on original film reference, these fearsomely fun-loving characters are ready to haunt the collection of any fan of Tim Burton's stop-motion masterpiece. STAR TREK: USS ENTERPRISE REFIT 1/350-SCALE AZTEC DECAL SET

The *USS Enterprise* NCC-1701 as seen in *Star Trek: The Motion Picture* was originally painted various shades of pearlescent paints to give the smooth ship a paneled look. The patterns created were intricate and iconic and is the standard by which modelers compare their own attempts at the ship. Since the first announcement of the 2009 release of the 1:350-scale *Enterprise*, modelers have clamored for the Aztec panel decals it contained so they could incorporate them into the kits already sitting on their shelves. Round 2 delivers modelers 5 huge decal sheets — 4 sheets of Aztec decals used in the 2009 1:350 *Enterprise* release plus 1 new sheet with alternate ship names and registry numbers. Scheduled to ship in October 2010. (7170/MKA001) (C: 1-1-3) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

STAR WARS DARTH MAUL LIGHT UP ARTFX STATUE

***A KOTOBUKIYA** Japanese import!* The 1/7th scale Star Wars ARTFX series is back with the Sith master of the double-bladed lightsaber, **DARTH MAUL.** Inspired by Katsushika Hokusai's traditional Japanese ukiyo-e ("pictures of the floating world") style, Darth Maul balances atop a rocky outcropping in a samurai-like pose. Stripped to the waist, he wears a tattered robe that reveals intricate Sith tattoos, while his snarling face captures his hatred and the all-consuming rage. Of course, no version of Darth Maul would be complete with his blood red double-bladed lightsaber, and this one even has a special light up feature! Darth Maul stands approximately 11 inches (in 1/7th scale with all other Star Wars ARTFX Statues).

DOCTOR WHO: THE ELEVEN DOCTORS ACTION FIGURE COLLECTOR SET

Imported from the UK! For nearly fifty years audiences around the world have watched with rapt attention as the Time Lord known as the Doctor has battled monsters through space and time. Eleven actors have portrayed the Doctor; due to His Gallifreyan biology, when his body nears death it "regenerates" to heal itself, and he takes on a new form — and often, a new personality. This boxed set features 5" figures of the eleven men to portray the Doctor in the BBC series, with new costumes and new sculpts. Window box packaging. Scheduled to ship in October 2010. (6808/03418) (C: 1-1-4) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DOCTOR WHO: FOLLOWING CYBERMAN WALL HANGING

Imported from the UK! Hang this Cyberman helmet on your head and be prepared for the amazing illusion where it appears to follow you around the room! Our brain makes assumptions when we view the Cyberman's face; it thinks that it should appear like a typical convex face, but in this case, that is not true as the face is actually concave. The human mind cannot comprehend this and, as a consequence, a strange illusion takes place in which it appears that the Cyberman follows us around the room. Scheduled to ship in October 2010. (6808/DW-1002) (C: 1-1-4) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

SPOTLIGHT ON

DOCTOR WHO:
CLASSIC FIRST DOCTOR WITH TARDIS ACTION FIGURE SET
Imported from the UK! In late November 1963 audiences in the United Kingdom tuned in to watch the first episode of a brand-new television series, *Doctor Who*. The camera panned across a junkyard in Totter's Lane, and there the shot alighted on a police box. Little did audiences know that inside the police box there lived an ancient alien known as the Doctor. This action figure set from Underground Toys recreates William Hartnell's Doctor as he appeared in that first episode, "An Unearthly Child" in the 5" scale and his spacecraft, the TARDIS, disguised as a police box common to the streets of mid-century London. Scheduled to ship in October 2010. (6808/03625) (C: 1-1-4) **NOTE:** Available only in the United States, Canada, and U.S. Territories.
Action Figure $64.99

DOCTOR WHO:
FIFTH DOCTOR "REGENERATION" ACTION FIGURE
Imported from the UK! The Doctor's attempt to halt the Master's destruction of the universe in the final story of the fourth Doctor's era, "Logopolis," resulted in a fall of hundreds of feet from the radio telescope of the Pharos Project. When he struck the ground, the Doctor began to regenerate into the young, blond fifth Doctor. This 5" tall action figure depicts the fifth Doctor as he appeared in the first episode of "Castrovalva," wearing the fourth Doctor's burgundy coat and long scarf. Blister card packaging. Scheduled to ship in October 2010. (6808/03624) (C: 1-1-4) **NOTE:** Available only in the United States, Canada, and U.S. Territories

SOUL OF CHOGOKIN: GX-06G1 GETTER 1 ACTION FIGURE

Imported from Japan! Bandai's *Soul of Chogokin* line of action figures take classic Japanese robot toy models from the 1970's and 1980's and remaster them as die-cast metal figures, with a delicate paint finish and the heft that comes only from a die-cast. Created by Go Nagai and Ken Ishikawa, *Getter Robo* was one of the first, and most popular, super robot series to debut in Japan. Among the robots featured in the series was the *Getter-1*, piloted by Ryoma Nagare. Originally available exclusively at the 2008 San Diego Comic-Con, this special limited edition of the *Getter-1* features a metallic sheen and is limited to 500 pieces. Window box packaging. Scheduled to ship in October 2010. (4522/GET60659) (C: 1-1-3) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

BETRAYAL AT HOUSE ON THE HILL BOARD GAME (2010 EDITION)

Each player chooses one of 12 mysterious characters to explore a creepy house filled with deadly secrets. As you play, you'll build the house, and explore new rooms. When you enter a new room, you might find something... or *something* might find you! When an explorer triggers a haunt, one of the players will betray everyone else. That explorer becomes the traitor who will try to defeat all his former companions. The rest of the players are heroes who must struggle to survive. From that point on, the goal of each player is to complete your side's victory condition first, either as the traitor or the hero. The game has 50 different haunt scenarios, and the house you build is different every time you play. It's a spooky strategy game that puts you face to face with legendary monsters, modern nightmares, and... your friends. For 3-6 players, ages 10 and up. CHTHONIAN
WILDFIRE

TRAVELLER RPG: CHTHONIAN STARS SOURCEBOOK

Something approaches; a thing on an orbit from far away. Seemingly a large shard of dark matter, this object is known in obscure prophecy as the 'Chthonian Star". It is a thing that has been travelling through the universe on its oblique trajectory for millions, if not billions, of years. It is a part of the natural cycle of things, on its eon-long orbit. The Chthonian Star is the thing that caused the end of the dinosaurs, among other things. Now, once again it is awakening things long thought lost or dead... things that have slumbered awaiting its return. Created by WildFire, the team behind the award-winning *CthulhuTech, Chthonian Stars* is an original setting for *Traveller,* bringing a Lovecraftian flair to the near-future *Traveller* setting, in which mankind has expanded out into the stars, where old things are beginning to awaken. This core setting book includes everything a new players needs (other than the *Traveller Core Rulebook*). It includes robust setting material, including a look at the planets and colonies of our solar system, new technology and starships, and a peek behind the curtain at the occult history of our part of the galaxy. It also includes new optional rules for character generation, including point allocation and half-terms, and new rules for psychology and combat. (C: 0-1-3)

PATHFINDER ADVENTURE PATH: THE SERPENT'S SKULL 3— THE CITY OF SEVEN SPEARS

The heroes at last emerge from the trackless jungles of the Mwangi Expanse to discover the vine-choked lost city of Saventh-Yhi, ruined outpost of the ancient kingdom of Azlant. With seven spear-like monolithic towers peaking above the verdant canopy and crumbling causeways echoing with the savage cries of unknown predators, the city promises untold wealth to those brave enough to claim it. But the heroes are not alone, for their allies and enemies among Sargava's colonist government, the Pathfinder Society, the Aspis Consortium merchant league, the Pirate Lords of the Shackle Isles, and the mysterious assassins of the Red Mantis also have designs upon the treasures of the City of Seven Spears, and the race is on to plunder the riches of the city's many adventure sites! This volume features a gazetteer of the jungle-choked lost city of Saventh-Yhi, with tips for expanding the site to add depth to the campaign as well as an overview of the primitive ju ju magic of the Mwangi Expanse natives. Plus, five all-new monsters in the Pathfinder Bestiary, new fiction in the Pathfinder Journal, and more! For 7th-level characters. (C: 0-1-2)

PATHFINDER CHRONICLES: MISFIT MONSTERS REDEEMED SOURCEBOOK

With the trepidation of an adventurer exploring a dungeon with a sweating forehead and a 10-foot pole, Paizo proudly presents *Misfit Monsters Redeemed*, an in-depth look at 10 of the lamest, most-hated, and flat-out goofiest monsters ever to haunt a fantasy RPG campaign. People tell us we can improve *any* monster, so we've recruited the most misunderstood denizens of fantasy roleplaying to put that theory to the test. This soon-to-be legendary 64-page full-color volume includes all-new backgrounds, expansions, and tips for monstrous lovable losers like the *Adherer, Delver, Dire Corby, Disenchanter, Flail Snail, Flumph, Lava Child, Lurker Above, Tojanida* and, of course, the insidious *Wolf-in-Sheep's Clothing*. MUNCHKIN CARD GAME (2010 EDITION)

The new, full-color edition! The True Essence of Roleplaying. Go down in the dungeon. Kill everything you meet. Backstab your friends and steal their stuff. Grab the treasure and run. Admit it... you love it! *Munchkin* is the runaway hit that's been a card game sensation for the last nine years! You and your friends compete to kill monsters and grab magic items. And what magic items! Don the "Horny Helmet" and the "Boots of Butt-Kicking"! Wield the "Staff of Napalm" or maybe the "Chainsaw of Bloody Dismemberment"! Start by slaughtering the Potted Plant and the Drooling Slime, and work your way up to the Plutonium Dragon... and it's illustrated by John Kovalic (now in full-color too!)! Fast-playing and silly, *Munchkin* can reduce any gaming group to hysteria. And, while they're laughing, you can steal their stuff. Comes with 168 cards — with full-color art! — one six sided *Munchkin* die, and a rulesheet, all in a 6" x 9" box. (C: 0-1-2)

SOUL OF THE SWORD DVD

A classic Shaw Brothers kung-fu classic comes to DVD! "Be careful what you wish for" sums up *Soul of The Sword*, which stars acclaimed actor Ti Lung as a swordsman whose sole purpose is to defeat "The Number One" swordsman, no matter what. The warrior's code dictates that to be rumber one there must be no one else in his life, so he gives up his lover and only to learn that "wanting is better than having" and that the terrorism of tradition in the end makes you lose. TOKYO GORE POLICE 1.5 DVD

In the near future, the Tokyo Police Corporation is locked in a bloody war with the "engineers." These genetically modified super-criminals can bio-fuse their open wounds with weapons, turning self-mutilation into a combat form. Ruka, the daughter of the police chief's murdered right-hand man, is now the top engineer hunter. With cold-blooded efficiency she cuts through the psychotic engineers and tracks down their home base, a truly bizarre fetish club. Nothing keeps her from her sworn duty, even when she finds out the truth behind her father's death. Includes a special bonus disc filled with *Tokyo Gore Police* short films! (C: 0-1-3)

VAMPIRE GIRL VS. FRANKENSTEIN GIRL DVD

The deranged genius behind *Tokyo Gore Police* is back with a chilling new flick that's re-writing the hallowed history of the horror genre. *Vampire Girl vs. Frankenstein Girl* is the terrifying story of two classic monsters re-imagined as super hot — and extremey lethal — Japanese school girls. Gore rules supreme in this blood-cake cavalcade of carnage chosen as the winner of the Audience Award at the 2009 NY Asian Film Festival. Aficionados of psychedelic blood-filled chocolates, mad scientist principals, sumo wrestlers from hell, and sex-crazed school nurses are guaranteed to lose their heads over this old school splatter-fest. ALIEN AUTOPSY DVD

In 1995, mysterious top-secret black-and-white footage, supposedly filmed during the 1947 Roswell incident, was broadcast around the world. It showed the autopsy of an alien lifeform. The men responsible for the discovery, buddies Ray and Gary, are thrown into intense media scrutiny. But they have an even bigger secret! Based on true events, *Alien Autopsy* is the bizarre and quirky story of two unlikely lads from London who become icons in UFOlogy with a discovery that stunned millions. (C: 0-1-3)

THE BIG BANG THEORY: THE COMPLETE THIRD SEASON DVD

Leonard and Sheldon are brilliant physicists, the kind of "beautiful minds" that understand how the universe works. But none of that genius helps them interact with people — especially women. All this changes when a free-spirited beauty named Penny moves in next door. Sheldon, Leonard's roommate, is quite content spending his nights playing Klingon Boggle with their socially dysfunctional friends, fellow Caltech scientists Howard Wolowitz and Rajesh Koothrappali. Leonard, however, sees in Penny a whole new universe of possibilities — including love. (C: 0-1-3)

THE EXORCIST: EXTENDED DIRECTOR'S CUT BLU-RAY

Controversial from the moment it opened, *The Exorcist* endures as a defining classic that influenced movies afterward and still shocks and haunts today. The frightening and realistic tale of an innocent girl inhabited by a terrifying entity, her mother's frantic resolve to save her and two priests — one doubt-ridden, the other a rock of faith — joined in battling ultimate evil always leaves viewers breathless. In the Extended Director's Cut, director William Friedkin integrates over 10 minutes of footage deleted before the film's 1973 release. A phenomenon of its time and for all time, *The Exorcist* astonishes and unsettles like no other movie. (C. 0-1-3)

(W) Jeff Mariotte

Clark Kent is living in a dark world where he has no powers, no memory of ever being anything other than human. His world is controlled by mystical forces no one can challenge, with the triumvirate of Vandal Savage, Mordru, and Felix Faust calling the shots. The Demon and Phantom Stranger approach Clark and tell him that he is really Superman, that alterations made more than a century ago to the time stream are causing space-time fluctuations that will result in this particular reality becoming the sole reality. Since Superman is powerless in this reality, the three heroes have to travel into the past to set things right again. (C: 0-1-3)

THE LAST EXORCISM

THE LAST EXORCISM DVD
When he arrives on the rural Louisiana farm of Louis Sweetzer, the Reverend Cotton Marcus expects to perform just another routine "exorcism" on a disturbed religious fanatic. An earnest fundamentalist, Sweetzer has contacted the charismatic preacher as a last resort, certain his teenage daughter Nell is possessed by a demon who must be exorcized before their terrifying ordeal ends in unimaginable tragedy. upon arriving at the already blood drenched family farm, it is soon clear that nothing could have prepared Marcus for the true evil he encounters there. Now, too late to turn back, Reverend Marcus' own beliefs are shaken to the core when he must find a way to save Nell — and himself — before it is too late. (C: 0-1-4)

WARLORD OF MARS #1

DYNAMITE ENTERTAINMENT

It's impossible to understate the impact that Edgar [illegible] Burroughs' *Mars* novels have had on contemporary science fiction. [illegible] what's particularly remarkable [illegible] works is the extent to which they retain their freshness, even in the modern landscape. While there's no denying the compelling nature of the concepts themselves, a great deal of the series' longevity must be credited to Burroughs' remarkable abilities as a storyteller. Perhaps the chief reason why many attempts at adapting the series for other mediums have, for the most part, fallen flat is due to their inability to capture the whimsical spirit of the original prose. Fortunately, that's not the case with Dynamite's *Warlord of Mars*, as writer Arvid Nelson and artist Stephen Sadowski are [illegible] capture the essence of Burroughs' [illegible]

HEREVILLE: HOW MIRKA GOT HER SWORD GN

AMULET BOOKS

Witches, trolls, talking pigs, and knitting lessons — yup, *Hereville* brings the goods. With its heroine growing up in a blended family, an orthodox Jewish community, and a rich fantasy world, there are a few different gimmicks this book could lean on, but Deutsch neatly balances these elements rather than belaboring them, making for a fun and endearing story.

Eleven year-old Mirka Hirschberg is a sympathetic, dynamic protagonist who will appeal to fans of Raina Telgemeier's *Smile*, Jane Yolen's *Foiled*, and even Joe Kelly's *I Kill Giants*. As a sister, daughter, and aspiring dragon slayer, she joins the heroines of these other works as an appealingly imperfect character learning to understand her own goals. She's also very bright, and it's entertaining to watch her start debates with her stepmother Fruma, who is not so much wicked as wickedly clever.

Hereville: How Mirka Got Her Sword is only the first chapter in a story that promises much more fantastic adventure and social tension. Highly recommended to anyone with an interest in Orthodox Jewish culture, sword acquisition, or trolls with an affinity for needlecraft.

PANG THE WANDERING SHAOLIN MONK VOLUME 1 HC

ICU PRESS

Debut comics are always a gamble. A new talent with a new story and a new voice — who knows if this is the book folks have been looking for? I'll take the bet that this one is it.

Pang The Wandering Shaolin Monk balances all the hallmarks of a great story. Creator Ben Costa presents a young monk during a time of war and great social upheaval in not-so-ancient China. The reader follows Pang through the battle that destroys his temple and into the first city he's ever seen where he meets the first girl who's ever spoken to him all while the politics of the [illegible] kill him.

Pang himself is a powerful warrior, a dedicated student, a fumbling young man, an honest soul, and entirely human. It's not surprising to see that the earnest complexity found in Pang is the same found in the entire story: large in scope, with heartfelt detail — epic in subject, but depicted in simple, lively colors.

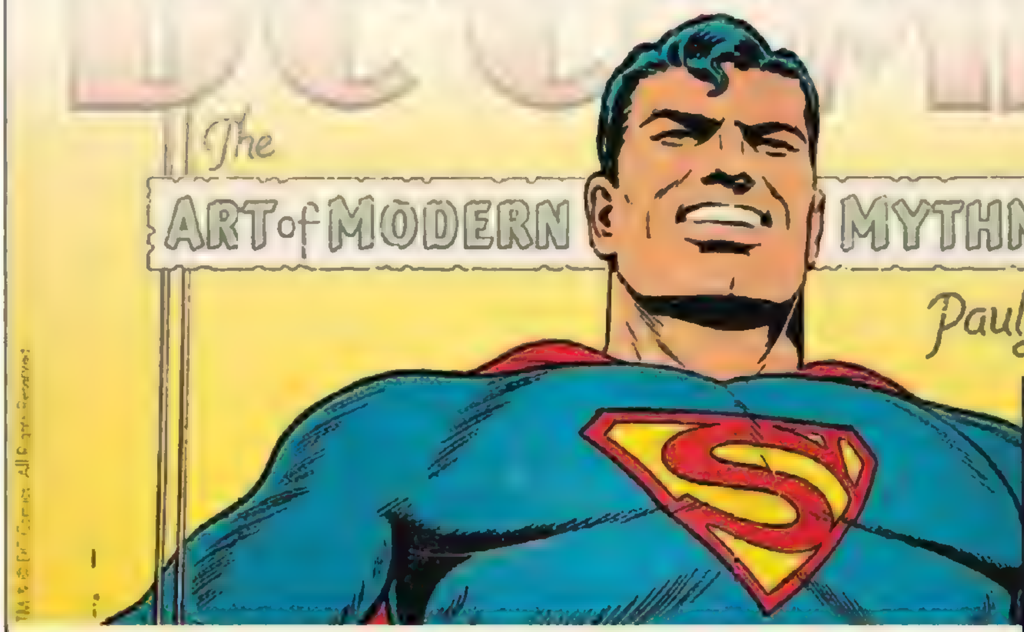
75 YEARS OF DC COMICS: THE PAUL LEVITZ INTERVIEW



TM & © DC Comics. All Rights Reserved.

[illegible] Courtesy TASCHEN

WRITER. EDITOR. PUBLISHER.

Paul Levitz has been active through two ages of the comic book industry and over 35 years of working within DC Comics, and he's become one of those special figures in an industry: A living legend.

Ask ten people whom *Daredevil's* best writer was, and you're likely to hear ten different answers; ask a thousand *Legion* fans who the *Legion's* best writer was and they'll all say Paul Levitz.

Though Paul was one of DC's marquee writers during the 1980s his duties didn't remotely stop there, as he was tapped to become an editor for books such as *Detective Comics*, *Plastic Man*, and *New Gods*. Paul Levitz's rise to industry stardom might've occurred virtually overnight, but his rise to the top of the DC hierarchy didn't, as even during Paul's run on the *Legion*, he was part of DC's inner-circle of the mid-'80s and '90s, and in reaching out to distributors, comic shops and fans alike to sell books during the 1990s, Paul Levitz is definitely one of the minds that saved the industry. Paul Levitz's diligent efforts within DC's inner-circle led to an appointment as vice-president, and in 2002, an appointment to DC's top job as President and Publisher, a job he held until September, 2009.

2010 is the year of Paul Levitz's "homecoming" with a very well-received return as a writer to the *Legion of Super-Heroes*, as well as June 2010's *Batman/Superman Annual* and *Adventure Comics*. In adding "historian" to his repertoire, Paul Levitz is writing November's massive *75 Years of DC Comics: The Art of Modern Mythmaking*, published by art-world giant TASCHEN and filled with over 700 pages of rare and never-before-seen photography and artwork. If the present is any indication, Paul Levitz may have stepped away from DC's top chair, but he certainly hasn't turned in his keys to the executive lounge.

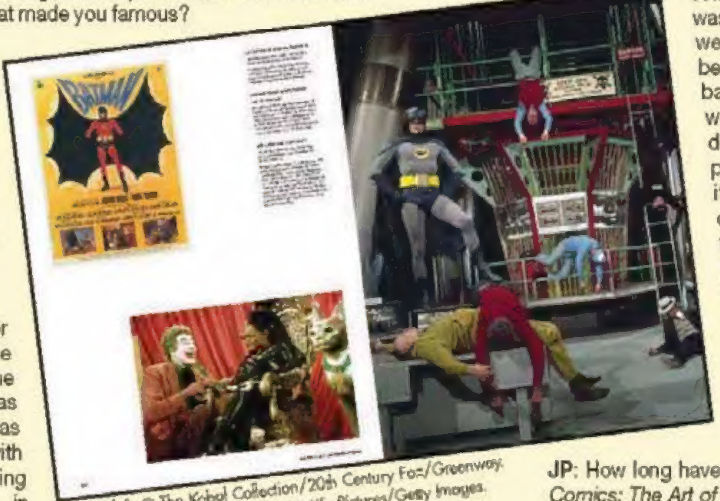
This month, we were able to get some unique perspective about the business from Paul Levitz and get his thoughts on the history of DC Comics, his history with DC, the experience of returning to familiar territory, and the evolution of the industry, in an exclusive interview conducted by ***PREVIEWS*** intern, Jamal Powell...

FLIP*side*

Jamal Powell: Let me thank you for the opportunity to interview you, and congratulations on your well-received return to writing with *Legion of Super-Heroes* #1, as well as the *Superman/Batman Annual* #4 and *Adventure Comics* #12; Comic Nexus gave *Legion of Super-Heroes* #1 a 9/10 review, a rating they rarely give...

Paul Levitz: I've been very happy with a lot of the reviews and a lot of the ratings it's gotten. It's been a very warm welcome back. You're always nervous in a situation like that where you're being sent off to play in the "old timer's game," and they've welcomed me back onto the field.

JP: You've made a successful return to writing with *Superman/Batman Annual* #4 and Adventure Comics #12 and you're already encountering critical praise and high sales with Legion of Super-Heroes #1. How does it feel to be back on the book that made you famous?



Bottom left: © The Kobol Collection/20th Century Fox/Greenway. Right. Photo by Yale Joel, © Time & Life Pictures/Getty Images.

Levitz: It's like hanging out with old friends again in a lot of ways. These are characters that I liked as a kid, and that I had a lot of fun writing. So it's a very natural place to be. Catching up with people's lives after awhile, that's part of the fun of it, too.

JP: In addition to writing books for ensemble teams such as the Legion of Super-Heroes and the Justice Society, you've served as editor on solo books such as Batman and you are credited with creating Earth-2's Huntress. Having worked on many characters in almost every capacity at this point, which characters would you want to work on most and what role would you serve in their creative process?

Levitz: I'm very open-minded on that, the fun comes from what you're doing at the moment. I had a great time as an editor in the years I spent doing that, I'm not anxious to go back and do that moment of my life again. I had one of the great jobs on the planet as the publisher of DC for a couple of decades; I don't think I'm going to go back to a job, doing anything like that ever again. I probably won't do a regular job again. So the challenges for me are, as a writer, what's available for me to work on, what kind of projects can I generate and what'll be the next fun thing to do?

JP: During your tenure as president, what were some things you are proud to say that you were the mind behind it?

Levitz: I don't really separate off the time in which I was president of the company, because in my head at least, I've had a long association as part of the team that was leading DC under four or five different job titles. It's a continuity of process, and maybe it's nostalgia, but I think some of the things that were most important went on very early on in that, such as the crafting of the royalty plan. For comics, it was the first time a major publisher did a royalty program which included all of the books and all of the talent. There were a lot of things we did to build the distribution side of the business, including organizing a "sales agency" kind of agreement with Diamond that we worked out in 1995 during the "Time of Troubles", if you want to call it that, when the distribution system was up-ended. It's been a lot of years, and a lot of stuff that was fun to work on. And of course, it's been a long and happy road.

JP: This year, there are a few comic book milestones being celebrated, with 2010 being DC's 75th anniversary. DC is celebrating this milestone in several unique ways, such as DC's release of variant covers which are all re-drawn covers of important DC comics; the cover of your own *Legion of Super-Heroes* #294 was re-drawn by Lee Bermejo. What made you decide to create *75 Years of DC Comics: The Art of Modern Mythmaking* as part of your tribute to DC Comics?

Levitz: The idea of being a large-scale, coffee table celebration as part of the 75th was one of the earliest cornerstones when we were talking about the anniversary because it's kind of a natural time to look back and commemorate the enormous wealth of creativity that's been developed over the years. When the project first started, I was asked to write it, but I was still doing the desk job, and didn't feel I could remotely devote the time and energy necessary to writing it. As DC was casting around for a writer, then as circumstances developed, I was stepping away from the desk job; they still hadn't found anybody, so I said "Ok, that would be fun, I'd be happy to have some fun with that." It's been a fascinating project.

JP: How long have you been working on *75 Years of DC Comics: The Art of Modern Mythmaking*?

Levitz: As a writer, probably from September 2009.

JP: So the research process has only taken place from September 2009 to the present?

Levitz: We're still in the research process on some things, but then you find a cool illustration. The guys found a terrific little photograph of Mike Sekowsky during the time where he was doing Wonder Woman in plain clothes, and Mike is in the office sketching a model dressed in the style that he was going to work with for Wonder Woman, and a number of people are saying to themselves "I think I know who that is, but I can't place the woman's name..." So everyone's running around, trying to figure that out. That's kind of the small-scale research, but the research will go on until the book goes off to the printer because we'll be trying to dot the lost "i's" and cross the lost "t's".

JP: What were some of the research methods you've used in gathering 75 years of oral, verbal, and written history of DC Comics? Was it difficult to gather all of the artwork and photography?

Levitz: TASCHEN has been astounding in their pursuit of the artwork and photography. They sent one of their teams to the U.K. to photograph one of the great collections of DC material; they came to get fresh photographs of high-quality books, they went through their archives looking for anything that relates to comic books that few others have

ever seen, and they've certainly gone from top to bottom in whatever stuff has survived at DC or in individual collector's hands. I think that the selections within the visual dimensions of the book — and I think there's around 2,000 images in the book — there'll be things that no matter who you are, you won't have seen something before. You'll crack a smile.

JP: TASCHEN is one of the world's premier publishers of art books, having released many controversial but critically and commercially successful works. Why did you decide to publish *The Art of Modern Mythmaking* through TASCHEN?

Levitz: Well, when you make a decision like that, you're looking at the skill of the publisher. I always make the argument, whether it's for a writer or anyone else, if you've got an idea for a project, go out and see what it would fit with and who does this kind of thing well. And TASCHEN has an extraordinary track record of doing visually beautiful books on very eclectic subjects, so they've been able to dive in and take photography, make it spectacular and things like the Muhammad Ali book they did a few years ago, that allowed them to run with popular culture. They have a fabulous book that they've done on circuses, which is actually about the same size as *The Art of Modern Mythmaking*, as well a lovely book on magic which is also about the size of *The Art of Modern Mythmaking*, and they've made that stuff work very effectively. TASCHEN was always on the very short list of possible publishers for *The Art of Modern Mythmaking,* and when you consider the possibilities further, the founder of TASCHEN is a comics fan that started his business with comics-related publishing coming out of a comics shop that he owned in Germany many years ago. So he had sympathy for the material, and from my own experience I can only say that if a publisher supports a project, that's a good thing

JP: What has it been like working with TASCHEN? Have they brought anything unique to *The Art of Modern Mythmaking*?

Levitz: They've brought lots of unique visual resources to the process; they've found stuff under rocks and we didn't even know where the rock was, much less what was under it.

JP: For you, what would be the most single most significant event, period, or era within DC Comics' 75-year history?

Levitz: Well, there's an old saying for science fiction that I attribute to a couple of sources, but the saying is "The Golden Age of Science Fiction is 12". But I think that applies to all forms of popular culture, including comics. So for me there's a certain magic about the material that was coming out in the late '60s, when I was just old enough to understand writer and artist credits. I was just tapped-in enough in comics to know from fanzines what might be happening next, and I started looking around the curve, and I started to develop my own sensibilities. The excitement that was possible for me at that moment, maybe it was how old I was and how receptive I was, or it may objectionably be a great moment in the company's history, but I think you have a certain bias to the material that you bring from your own life.

JP: What, more than anything, can fans expect from *75 Years of DC Comics: The Art of Modern Mythmaking*? What are some the features that will really make this a must-buy for comic-book history buffs?

Levitz: I think that the must-buy part of it is that the vast majority of the comic publishers these days go back and tell the same story but with a little added detail, just sort of telling the basics of the tale. And if you're going to do a book published with the ordinary length with the ordinary number of illustrations, if you're doing Marvel Comics, you have to have the cover of *Amazing Fantasy* #15 in there, you have the have the cover of *Fantastic Four* #1 in there, what do you have in there that is totally unexpected and how much room do you have for the unexpected on top of what's regular? An enormous part of the power of this book is its *sheer damn size*! I was doing a publicity shoot with a dummy of the book in my hand and that thing weighs a ton! So we've really got room to explore visuals that you haven't seen before; whether those are sketches or unpublished material; photographs of behind-the-scenes processes… I saw a photo the other day that was being considered for the Silver Age section that when I looked at it carefully, I said "That's Murray Boltinoff and Arnold Drake at the separation plant in Bridgeport, CT at the time when Arnold was writing the *Doom Patrol*. And there are a couple of guys with them, and I think one of them is Bruno Premiani, but I'm not sure. To capture a moment like that, which has not been seen by a fan of that moment — and like I said, that ties into my 1960s passions — is a wonderful thing. There are photos from the 1940s, the 1980s; there are pieces of work that have survived, and hopefully, if I've done my job in the narrative section of it, there will be small facts that will have been added to the history that people won't have had the opportunity to know or that you would have had to be incredibly versed in the history of comics to remember off-hand but will be woven into the narrative.

JP: In having served so many prominent roles in DC Comics during your 35 years with DC, how do you feel that experience has impacted the content of *The Art of Modern Mythmaking*?

Levitz: Howard Chaykin makes the remark of our generation of talent in the business: "We came in at the end of the beginning". We got there in time to hear the story of how comics started from the people who started them. I've actually been at DC now almost 38 years, and I was hanging around the business as a fanzine editor in New York for several years before that, so I've lived through, on one level or another, half of those 75 years, known the people, and if I've done my job right somewhat, I've observed in their personalities and the interesting moments in their lives, which should come through in the work and give some sense of evolution. The narrative is only about 32,000 words, which is about 3 quarters of a word per comic DC published, which is not nearly enough to give justice to all of the people and all of the comics as well as all the fascinating ideas and movies and TV shows that came out of it.
